Dear Ms. Gray:

The Alabama Medicaid Agency (Medicaid) acknowledges the Centers for Medicare and Medicaid Services' changes to the Alabama Plan First demonstration to align with the Working Families Tax Cut legislation, effective October 1, 2026. Medicaid accepts both the Special Terms and Conditions (STCs) and expenditure authority for this waiver program as written. Under these changes, Medicaid is authorized to continue its efforts to increase access to family planning and tobacco cessation services for the beneficiaries in the demonstration.

We look forward to continuing the progress of the Alabama Plan First Demonstration.

Sincerely,
