Dear Director Portman:

The Centers for Medicare & Medicaid Services (CMS) received Georgia's request to extend the state's section 1115 demonstration entitled "Georgia Pathways to Coverage" (Project No. 11-W-00342/4), on April 30, 2025.

We have completed a preliminary review of the state's request and have determined that the state's application meets the requirements for a complete extension application in accordance with 42 CFR 431.412(c). The extension application will be posted on Medicaid.gov for a 30-day federal comment period at:

If you have questions regarding the section 1115 demonstration extension process, please contact your CMS project officer, Kamia Rathore at Kamia.Rathore@cms.hhs.gov.

Sincerely,
