Dear Dr. Mohr Peterson:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Hawaii's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver to revise the Emergency Preparedness and Response Appendix K in response to the wildfires on Maui:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
HCBS for People with Intellectual and Developmental Disabilities	HI 0013.R08.09

The amendment that the state has requested to Appendix K of the HCBS waiver is effective from August 8, 2023, through August 7, 2024; it applies in all locations served by the individual waiver for anyone impacted by the wildfires. This amendment implements temporary rate increases as specified within the Appendix K and removes the ability of legally responsible individuals to provide respite services.

We have included the approved HCBS waiver Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to this waiver program other than Appendix K.
