Dear Ms. Taylor:

Thank you for your request for a new section 1115(a) Medicaid demonstration entitled, “Maternal Opioid Misuse Indiana Initiative (MOMII).” The Centers for Medicare & Medicaid Services (CMS) received Indiana’s new application request on October 30, 2020. We have completed a preliminary review of your request in accordance with 42 CFR 431.412(a) and have determined that the state’s application meets these requirements for a complete application.

In light of the national public health emergency concerning COVID-19 and statewide social distancing guidance to prevent its spread, two virtual hearings were held on August 19 and August 21, 2020. Such hearings were permissible through CMS authority under 42 CFR 431.416(g)(2) which allows a state to depart from normal public notice procedures as described in section 431.408 due to the unforeseen nature of the public health emergency. Under section 431.416(g)(3), in order for a state to receive an exemption under section 431.416(g)(2), the state must meet three criteria: (i) the state must be acting in good faith, and in a diligent, timely, and prudent manner; (ii) the circumstances must constitute an emergency that could not have been reasonably foreseen; and (iii) it must be the case that a delay would undermine or compromise the purpose of the demonstration and be contrary to the interests of beneficiaries. CMS has determined that the state has met these criteria.

Indiana’s application will be posted on Medicaid.gov for a 30-day federal public comment period in accordance with section 42 CFR 431.416(b). During that time, the state’s application will be available at: <https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/index.html>.

We look forward to working with you and your staff on the proposed demonstration application. If you have questions regarding the section 1115 application process, please contact your CMS project officer, Rachel Nichols, at Rachel.Nichols@cms.hhs.gov.

Sincerely,

11/9/2020
