Dear Ms. Boone-Massey:

The State of Maine has reviewed the documents that were sent to us on July 21, 2022, regarding the approval of three pilots requested through Maine's 1115(a) "Maine Substance Use Disorder Care Initiative" (Project Number 11-W-003381).

We are pleased to accept this award and the provided Special Terms and Conditions. As a technical correction, there is an erroneous reference to the Maine Department of Health and Human Services as the Department of Health and Welfare (page 4 of the STCs).

Thank you for helping us continue with this work and supporting Maine's most vulnerable populations.

Sincerely,

Michelle Probert
Director
Office of MaineCare Services
