All Medicaid Eligible Children served by the Flint Water System affected by the demonstration because of the premium waiver (VIII group)	1,016	0	102	250

¹ This measure includes individuals enrolled in MI Child or Healthy Kids Expansion, in addition to the Flint waiver.

² This measure includes individuals new to the Flint waiver and individuals who have disenrolled and re-enrolled.

³ Individuals that do not meet all population category requirements from one month to the next are considered disenrolled from the category. This does not necessarily mean that individuals have been disenrolled from the Flint Water Waiver.

⁴ The State has completed 780 total non-elevated blood level Lead Inspections/Risk Assessments (LIRAs) in Flint since October 1, 2015. The State has enrolled 996 Medicaid CHIP households into the Lead Safe Home Program. Not all of the Medicaid CHIP enrolled households have yet received a LIRA.
