Dear Ms. Cash,

On October 20, 2020, the Centers for Medicare and Medicaid Services (CMS) approved the Nebraska Department of Health and Human Services (DHHS) request titled “Nebraska Medicaid Heritage Health Adult Demonstration” (WAIVER NUMBER 11-W-00337/7) which requested waivers and expenditure authority under section 1115(a) demonstration to implement an innovative program allowing individuals in the adult expansion group to qualify for additional benefits through participation in wellness, personal responsibility, and community engagement activities.

This letter serves as DHHS’ official acceptance of the “Nebraska Medicaid Heritage Health Adult Demonstration” (WAIVER NUMBER 11-W-00337/7) and expenditure authorities as set forth in CMS’ approval letter. DHHS is requesting technical corrections to the Special Terms & Conditions which have been included as an attachment to this acceptance letter.

CMS’ on-going partnership, support and guidance in assisting DHHS throughout the development, review, and implementation of this program are greatly appreciated. If there are any questions, please contact Todd Baustert at todd.baustert@nebraska.gov or (402) 471-5250.

Sincerely,

Kevin Bagley, Director
Division of Medicaid and Long-Term Care
Department of Health and Human Services
