

**1. Title Page for the State’s SUD Demonstration or SUD Components of Broader Demonstration**

*The state should complete this Title Page at the beginning of a demonstration and submit as the title page of all SUD Monitoring Reports. The content of this table should stay consistent over time.*

<b>State</b>	<i>Nebraska</i>
<b>Demonstration name</b>	<i>Nebraska Substance Use Disorder Demonstration</i>
<b>Approval date for demonstration</b>	<i>06/28/2019</i>
<b>Approval period for SUD</b>	<i>07/01/2019 – 6/30/2024</i>
<b>Approval date for SUD, if different from above</b>	<i>06/28/2019</i>
<b>Implementation date of SUD, if different from above</b>	<i>07/01/2019</i>
<b>SUD (or if broader demonstration, then SUD - related) demonstration goals and objectives</b>	<p><i>During the demonstration period, the state seeks to achieve the following goals:</i></p> <ol style="list-style-type: none"> <li><i>1. Increased rates of identification, initiation, and engagement in treatment for SUD;</i></li> <li><i>2. Increased adherence to and retention in treatment;</i></li> <li><i>3. Reductions in overdose deaths, particularly those due to opioids;</i></li> <li><i>4. Reduced utilization of emergency departments and inpatient hospital settings for treatment where the utilization is preventable or medically inappropriate through improved access to other continuum of care services;</i></li> <li><i>5. Fewer readmissions to the same or higher level of care where the readmission is preventable or medically inappropriate; and,</i></li> <li><i>6. Improved access to care for physical health conditions among beneficiaries with SUD</i></li> </ol>

## **2. Executive Summary**

*The executive summary should be reported in the fillable box below. It is intended for summary-level information only. The recommended word count is 500 or less.*

*In DY1Q1 (July 2019 – September 2019), the state focused on two implementation areas: 1) 1115 demonstration administration and 2) new Medicaid covered services. As the SUD demonstration represents Nebraska’s first 1115 waiver implementation, the state has been putting in to place the structure, policies, and procedures necessary to ensure effective implementation and ongoing administration of the demonstration. These activities include identifying an independent entity to support evaluation design and ideally to function as Nebraska’s demonstration evaluator. More information on the evaluation topic is included in Section 12.1 of this report.*

*While the SUD demonstration STCs require that the state submit state plan amendments for the coverage of Medically-monitored Inpatient Withdrawal Management and Opioid Treatment Program within 24 months of demonstration approval, Nebraska had the opportunity to accelerate the addition of these services and therefore prioritized SPA development in DY1Q1 and DY1Q2. More information on the SPAs is included in Section 2.2.2.*
