Dear Ms. Brooks-LaSure,

This letter serves as New Jersey's formal acceptance of the 1115(a) NJ FamilyCare Comprehensive Demonstration Special Terms and Conditions (STCs) (Project Numbers: 11-W-00279/2 and 21-W-00068/2) and award letter, dated March 30, 2023.

The approval of this Demonstration assists with New Jersey's goals of addressing priorities such as health-related social needs, better integration of behavioral and physical health care, and innovative approaches to providing care and improving the health of the communities and populations served through the demonstration.

We have reviewed the STCs and request the technical corrections noted in the attached version of the STCs.

New Jersey understands the conditions of the approval and is looking forward to continuing our work with the Centers for Medicare and Medicaid Services (CMS) to ensure compliance with the STCs while we implement the New Jersey FamilyCare Comprehensive Demonstration.

I would like to thank you, and acknowledge your team, for the dedicated time and effort, resources, and collaborative engagement throughout the demonstration renewal process.

Sincerely,

Jennifer Langer Jacobs
Assistant Commissioner
