Dear Dr. Oz,

This letter serves as formal notification that Nevada Medicaid intends to phase out the current 1115 Whole Mouth Whole Body Demonstration Waiver effective December 31, 2026, in accordance with the general program requirements outlined in the Special Terms and Conditions (STCs). The 1115 Demonstration currently provides a dental benefit for a limited group of Medicaid-eligible individuals with a diabetes diagnosis. These beneficiaries are now eligible to receive an updated set of comparable dental services under a 1905(A) State Plan benefit approved by the Centers for Medicare and Medicaid Services (CMS) effective July 1, 2026.

We look forward to working with CMS on next steps to begin the phase-out process for the Whole Mouth Whole Body 1115 Demonstration Waiver. Should you have additional questions or concerns please contact Ann Jensen, Administrator, Nevada Medicaid, at ajensen@nvha.nv.gov

Many thanks,

Ann Jensen
