Maureen Corcoran  
Director  
Ohio Department of Medicaid  
50 W. Town Street, Suite 400  
Columbus, OH 43215

Dear Director Corcoran:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a temporary extension of the state's section 1115 demonstration, entitled "Section 1115 Demonstration Waiver for Substance Use Disorder Treatment" (Project Number 11-W-00330/5), in order to allow the state and CMS to continue negotiations on the state's extension application submitted on April 1, 2024. This demonstration will now expire December 31, 2025.

CMS's approval is conditioned upon the state's continued compliance with the special terms and conditions (STCs) defining the nature, character, and extent of anticipated federal involvement in the project. The current STCs and expenditure authorities will continue to apply during the temporary extension period of this demonstration. The state's current budget neutrality agreement and per member per month amounts (as of Demonstration Year 6) will continue to apply as described in the STCs, until December 31, 2025, or until the demonstration is extended, whichever is sooner.

For this temporary extension period, the state must continue to monitor its demonstration as stipulated in the current STCs. In addition, the state is required to include the temporary extension period in its demonstration evaluation. The state may choose to include the temporary extension period within its summative evaluation for the demonstration approval period beginning September 24, 2019. In this case, the Summative Evaluation Report is due 18 months after the end of this temporary extension period. Alternatively, if CMS approves an extension beyond December 31, 2025, the state may include the temporary extension period in the Evaluation Design and activities of the next full demonstration approval period.

Your CMS project officer for this demonstration is Laura Gray. Laura Gray is available to answer any questions concerning your section 1115 demonstration and can be reached at [laura.gray@cms.hhs.gov](mailto:laura.gray@cms.hhs.gov). If you have questions regarding this communication, please contact me at [Karen.Llanos@cms.hhs.gov](mailto:Karen.Llanos@cms.hhs.gov).
