Re: **SoonerCare 1115(a) Research and Demonstration Waiver Amendment**  
**Request: Sponsor's Choice Option**

Dear Mr. Scott:

The State formally requests to withdraw the SoonerCare 1115(a) Sponsor's Choice Option research and demonstration waiver amendment request. The waiver request was submitted to CMS on March 4, 2016 (Project Number: 11-W-00048/6) under a prior administration and is no longer relevant to the State's current goals.

The Oklahoma Health Care Authority appreciates the time and efforts dedicated to this endeavor by CMS and looks forward to working together on further opportunities and State initiatives.

Sincerely,

Traylor Rains  
State Medicaid Director
