Dear Mr. Snyder,

Thank you for the notice of amendment to Oregon's Contraceptive Care section 1115 demonstration waiver (Project Number 11-W-00142/0), sent April 30, 2025.

On behalf of the Oregon Health Authority, I am pleased to formally accept the conditions and requirements expressed in your approval package including that only STI/STD screening services are identified as family planning services, and that STI/STD diagnosis services are identified as family planning related services.

We appreciate your partnership in this effort to ensure the continuity of contraceptive care services in Oregon and look forward to continuing to work with CMS to achieve the goals of our Medicaid program.
