State Demonstrations Group

June 10, 2025

Kristin Sousa
Assistant Secretary and State Medicaid Director
Rhode Island Executive Office of Health and Human Services
3 West Rd, Virks Building
Cranston, RI 02920

Dear Director Sousa:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a temporary extension of the state's section 1115 demonstration, entitled "Rhode Island Comprehensive Demonstration" (Project Number: 11-W-00242/1), in order to allow the state and CMS to continue negotiations on the state's demonstration addendum to the extension application submitted on May 23, 2024, and the state's extension application submitted on December 22, 2022. This demonstration will now expire December 31, 2025.

CMS's approval is conditioned upon the state's continued compliance with the special terms and conditions (STC) defining the nature, character, and extent of anticipated federal involvement in the project. The current STCs, waivers, and expenditure authorities will continue to apply during the temporary extension of this demonstration. The state's current budget neutrality agreement and per member per month amounts (as of Demonstration Year 15) will continue to apply as described in the STCs, until December 31, 2025, or until the demonstration is extended, whichever is sooner.

For this temporary extension period, the state must continue to monitor its demonstration as stipulated in the current STCs. In addition, the state is required to include the temporary extension period in its demonstration evaluation. The state may choose to include the temporary extension period within its summative evaluation for the demonstration approval period beginning January 1, 2019. In this case, the Summative Evaluation Report is due 18 months after the end of this temporary extension period. Alternatively, if CMS approves an extension beyond December 31, 2025, the state may choose to include this temporary extension period in the Evaluation Design and activities of the next full demonstration approval period.

Your CMS project officer for this demonstration is Alex Desatoff. He is available to answer any questions concerning your section 1115 demonstration. Alex can be reached at Alexei.Desatoff@cms.hhs.gov. If you have questions regarding this communication, please contact me at Karen.Llanos@cms.hhs.gov.

Sincerely,

Karen LLanos
Acting Director
