RE: Managed Care Risk Mitigation COVID-19 Public Health Emergency Demonstration

Dear Ms. Wiley,

We greatly appreciate CMS' review and approval of Tennessee's application for a time-limited demonstration to implement certain managed care risk mitigation strategies during the COVID-19 public health emergency. We have reviewed the approval letter transmitted to the state on January 28, 2022, and we accept the new authorities communicated therein. We look forward to working with CMS on this time-limited demonstration.

If you need additional information about this demonstration, please contact Aaron Butler at (615) 507-6448.

Sincerely,
