Dear Ms. Stephens:

The state of Texas submitted its Implementation Plan as required by special terms and condition (STC) 25 of the state's section 1115(a) demonstration, entitled "Healthy Texas Women" (Project Number: 11-W-00326/6), and effective through December 31, 2024. The Centers for Medicare & Medicaid Services (CMS) has reviewed the Implementation Plan and determined it is consistent with the requirements outlined in the STCs; therefore, with this letter, CMS is approving the Implementation Plan for completeness and the state may continue implementation of its Healthy Texas Women program under the terms of its demonstration. A copy of this approved Plan is enclosed and is also hereby incorporated into the STCs as Attachment E.

If you have any questions, please contact your project officer, Ms. Lorraine Nawara, by email at lorraine.nawara1@cms.hhs.gov.

We appreciate your cooperation throughout the review process.

Sincerely,

1/4/2021

X Andrea J. Casart
