Dear Administrator Oz:

I am pleased to accept CMS' January 8, 2025, approval of Utah Medicaid's request to amend its Medicaid Reform 1115 Demonstration (Project Nos. 11-W-00145/8 and 21-W-00054/8). This approval allows Utah the authority to provide Health-Related Social Needs services to qualified beneficiaries, the expenditure authority to cover non-medical transportation services to qualified individuals not otherwise covered under title XIX of the Act, the expansion of dental services to all Medicaid-eligible adults, and the authorization to change the upper limit for fertility preservation services for individuals diagnosed with cancer from 40 years old to 50 years old.

This letter serves as Utah Medicaid's official acceptance of the special terms and conditions as set forth in CMS' approval. Utah Medicaid agrees to comply with the amended set of waivers, expenditure authorities and special terms and conditions.

We appreciate your continued support and cooperation in administering this demonstration.

Sincerely,

Nate Checketts
