Dear Administrator Brooks-LaSure:

I am pleased to accept CMS' July 23, 2021 approval of Utah Medicaid's request to amend its 1115 Primary Care Network (PCN) Demonstration (Project Nos. 11-W-00145/8 and 21-W-00054/8). This approval allows Utah to increase the maximum premium assistance reimbursement amount allowable under the PCN demonstration for beneficiaries enrolled in Utah's Premium Partnership for Health Insurance (UPP)-approved employer sponsored insurance (ESI) plans or continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA).

This letter serves as Utah Medicaid's official acceptance of the special terms and conditions as set forth in CMS' approval. The Utah Medicaid agrees to comply with the amended set of waivers, expenditure authorities and special terms and conditions.

We appreciate your continued support and cooperation in administering this demonstration.

Respectfully,

Emma Chacon
Interim Medicaid Director
Medicaid and Health Financing
