RE: Withdrawal of Wyoming Medicaid Coordinated Air Ambulance Network Section 1115 Demonstration.

Mr. Blunt,

The Wyoming Department of Health, Division of Healthcare Finance (DHCF) formally requests withdrawal of its Section 1115 demonstration application titled, "Wyoming Medicaid Coordinated Air Ambulance Network". This 1115 demonstration application was originally submitted on October 28, 2019. Wyoming Acknowledges the federal limitations identified during CMS's review, and the provisions of the Airline Deregulation Act of 1978, restricting state regulation of air carriers. Considering these limitations identified by CMS, Wyoming has determined not to pursue the proposed demonstration further.

Wyoming appreciates CMS's collaboration and consideration of this application. Please consider this letter as formal notification of withdrawal regarding Wyoming's Section 1115 demonstration application titled, "Wyoming Medicaid Coordinated Air Ambulance Network".

If another CMS representative or office is responsible for processing this 1115 withdrawal, we would appreciate your assistance in directing this letter to the appropriate individual.

Sincerely,
