Deputy Director for Health and Medicaid Director
Arkansas Department of Human Services
112 West 8th Street, Slot S401
Little Rock, AR 72201-4608

Dear Ms. Stehle:

On October 13, 2020, the Centers for Medicare & Medicaid Services (CMS) received Arkansas’ State Plan Amendment (SPA) transmittal #20-0021, which reduces limitations on therapies with soft limits and increases consistency of terminology.

The submitted SPA was approved November 9, 2020, with an effective date of January 1, 2021. Some inadvertent errors were later discovered in the approved SPA package; it did not include 3.1-A, page 4d as intended, but did include 3.1-A page 10 twice.

Enclosed is the corrected SPA package for the State’s records. If you have any questions regarding this amendment, please contact Michala Walker at Michala.walker@cms.hhs.gov or 816-426-5925.

Sincerely,

James G. Scott, Director
Division of Program Operations

2.a. Outpatient Hospital Services (continued)

(3) Arkansas State Operated Teaching Hospitals

Effective for cost reporting periods ending June 30, 2000 or after, outpatient hospital services provided at an Arkansas State Operated Teaching Hospital will be reimbursed based on reasonable costs with interim payments in accordance with 2.a.(1) and a year-end cost settlement.

Arkansas Medicaid will use the lesser of the reasonable costs or customary charges to establish cost settlements. Except for graduate medical education costs, the cost settlements will be calculated using the methods and standards used by the Medicare Program. Graduate medical education costs are reimbursed as described in Attachment 4.19-A, Page 8a for inpatient hospital services.

(4) Speech Generating Device Evaluation

Effective for dates of service on or after September 1, 1999, reimbursement for a Speech Generating Device (SGD) Evaluation is based on the lesser of the provider’s actual charge for the service or the Title XIX (Medicaid) maximum. The XIX (Medicaid) maximum is based on the current hourly rate for both disciplines of therapy involved in the evaluation process. The Medicaid maximum for speech-language therapy is $25.36 per (20 mins.) unit x’s 3 units per date of service (DOS) and occupational therapy is $18.22 per (15 mins.) unit x’s 4 units per DOS equals a total of $148.96 per hour. The initial rate is the published IHS outpatient rate for calendar year 2002. The rate will be adjusted to the OMB published rate annually or for any other period identified by OMB.

The agency's therapy fee schedule rates were set as of January 1, 2008 and are effective for services on or after that date. All therapy fee schedule rates are published on the agency's website (www.medicaid.state.ar.us). A uniform rate for these services is paid to all governmental and non-governmental providers unless otherwise indicated in the state plan. The State assures that physical therapists, occupational therapists and speech-language therapists will meet the requirements contained in 42 CFR 440.110.
