Re: Arizona State Plan Amendment (SPA) 22-0005

Dear Ms. Snyder:

The Centers for Medicare & Medicaid Services (CMS) reviewed the proposed Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 22-0005. This amendment proposes to assure the state's coverage of COVID-19 vaccine and vaccine administration, as required by section 1905(a)(4)(E) of the Social Security Act (Act).

Pursuant to section 1135(b)(5) of the Act, for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. §430.20 that the state submit SPAs related to the COVID-19 public health emergency by the final day of the quarter, to obtain a SPA effective date during the quarter, enabling SPAs submitted after the last day of the quarter to have an effective date in a previous quarter, but no earlier than the effective date of the public health emergency.

Please note that the establishment of or changes to any payment methodologies approved to take effect after the end of the Public Health Emergency (PHE) in this SPA must meet the public notice requirements of 42 CFR 447.205.

CMS conducted our review of your submittal according to statutory requirements in Title XIX of the Act and implementing regulations. This letter is to inform you that Arizona's Medicaid SPA Transmittal Number 22-0005 is approved effective March 11, 2021.

If you have any questions, please contact Brian Zolynas at 415-744-3601 or via email at [Brian.Zolynas@cms.hhs.gov](mailto:Brian.Zolynas@cms.hhs.gov).
