State Plan Amendment (SPA) #: 18-0002

This file contains the following documents in the order listed:

- 1) Approval Letter
- 2) CMS 179 Form/Summary Form (with 179-like data)
- 3) Approved SPA Pages

Medicaid and CHIP Operations Group

July 3, 2023

Jacey Cooper Chief Deputy Director, Health Care Programs California Department of Health Care Services P.O. Box 997413, MS 0000 Sacramento, CA 95899-7413

RE: Approval of State Plan Amendment CA-18-0002

Dear Jacey Cooper:

On March 22, 2018, the Centers for Medicare & Medicaid Services (CMS) received California's State Plan Amendment (SPA) Transmittal #18-0002. This SPA was submitted to bring the state's alternative benefit plan (ABP) into alignment with the state plan to allow injections for allergy desensitization without prior approval and add marriage and family therapists as a billable provider under federally qualified health centers (FQHCs) and rural health centers (RHCs), effective January 1, 2018.

We are pleased to inform you that SPA #18-0002 was approved on July 3, 2023, with an effective date of January 1, 2018, as requested by the state. Enclosed is a copy of the CMS-179 summary form, as well as the approved pages for incorporation into the California State Plan.

All requirements pertaining to ABPs must be met including, but not limited to: benefits, payment rates, reimbursement methodologies, cost-sharing state plan pages (as applicable) managed care delivery systems (waivers and contracts). Amendments to the state's approved Medicaid program (SPAs, waivers, contracts) may require corresponding amendments to the ABP if the changes to the benefit to the approved state plan will be mirrored in the ABP.

If you have any questions regarding this matter, you may contact Cheryl Young at (415) 744-3598 or by email at cheryl.young@cms.hhs.gov.

Sincerely, Ruth Huahes -S/

Digitally signed by Ruth Hughes -S Date: 2023.07.03 09:28:20 -05'00'

Ruth A. Hughes, Acting Director Division of Program Operations

Transmittal Number: CA - 18 - 0002

Voluntary Benefit Package Selection Assurances - Eligibility Group under Section 1902(a)(10)(A)(i)(VIII) of the Act

The state/territory has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 Yes requirements. Therefore the state/territory is deemed to have met the requirements for voluntary choice of benefit package for individuals exempt from mandatory participation in a section 1937 Alternative Benefit Plan.

Explain how the state has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 requirements.

In accordance with CMS instruction and technical assistance, California has fully aligned its benefits in the ABP to reflect the State Plan, using the Blue Cross/Blue Shield FEHBP to define the EHBs. To the extent services are considered Long Term Services and Supports (LTSS), these services are only available under the ABP to individuals who meet the medically frail criteria. The criterion governing the availability of these State Plan services aligns with or is at least as stringent as the medically frail criteria. As such, those ABP recipients who qualify for State Plan LTSS services based on medical necessity will be considered medically frail and will not be subject to a separate determination beyond the applicable, service-specific needs assessment.

Selection of Benchmark Benefit Package or Benchm	ark-Equivalent Benefit Pac	kage ABP3
Select one of the following:		
○ The state/territory is amending one existing benefit package	ge for the population defined in Sec	tion 1.
• The state/territory is creating a single new benefit package	e for the population defined in Secti	on 1.
Name of benefit package: ABP Adult Group]
Selection of the Section 1937 Coverage Option		
The state/territory selects as its Section 1937 Coverage option the Equivalent Benefit Package under this Alternative Benefit Plan (cl		fit Package or Benchmark-
Benchmark Benefit Package.		
O Benchmark-Equivalent Benefit Package.		
The state/territory will provide the following Benchmark	Benefit Package (check one that ap	plies):
C The Standard Blue Cross/Blue Shield Preferred F Program (FEHBP).	Provider Option offered through the	Federal Employee Health Benefit
○ State employee coverage that is offered and gene	rally available to state employees (State Employee Coverage):
\bigcirc A commercial HMO with the largest insured com HMO):	nmercial, non-Medicaid enrollment	in the state/territory (Commercial
 Secretary-Approved Coverage. 		
 The state/territory offers benefits based on the 	e approved state plan.	
\bigcirc The state/territory offers an array of benefits benefit packages, or the approved state plan,		
○ The state/territory offers the benefits pro	ovided in the approved state plan.	
 Benefits include all those provided in th 	e approved state plan plus addition	al benefits.
○ Benefits are the same as provided in the	approved state plan but in a differe	ent amount, duration and/or scope.
○ The state/territory offers only a partial li	st of benefits provided in the appro	ved state plan.
○ The state/territory offers a partial list of	benefits provided in the approved s	state plan plus additional benefits.
Please briefly identify the benefits, the source of	benefits and any limitations:	
State Plan benefits as described in the State Plan	1.	
Selection of Base Benchmark Plan		

The state/territory must select a Base Benchmark Plan as the basis for providing Essential Health Benefits in its Benchmark or Benchmark-Equivalent Package.
The Base Benchmark Plan is the same as the Section 1937 Coverage option. No
Indicate which Benchmark Plan described at 45 CFR 156.100(a) the state/territory will use as its Base Benchmark Plan:
○ Largest plan by enrollment of the three largest small group insurance products in the state's small group market.
○ Any of the largest three state employee health benefit plans by enrollment.
• Any of the largest three national FEHBP plan options open to Federal employees in all geographies by enrollment.
C Largest insured commercial non-Medicaid HMO.
Plan name: Blue Cross/ Blue Shield FEHBP
Other Information Related to Selection of the Section 1937 Coverage Option and the Base Benchmark Plan (optional):
The state assures that all services in the base benchmark have been accounted for throughout the benefit chart found in ABP 5. The state assures the accuracy of all information in ABP 5 depicting amount, duration and scope parameters of services authorized in the currently approved Medicaid state plan.

✓ The state/territory certifies that it will comply with all applicable Medicaid laws and regulations, including but not limited to sections 1903(m), 1905(t), and 1932 of the Act and 42 CFR Part 438, in providing managed care services through this Alternative Benefit Plan. This includes the requirement for CMS approval of contracts and rates pursuant to 42 CFR 438.6.

Managed Care Implementation

Please describe the implementation plan for the Alternative Benefit Plan under managed care including member, stakeholder, and provider outreach efforts.

CA has actively engaged in numerous activities to ensure successful expansion of Medicaid coverage to newly eligible adults. CA is expecting that approximately 600,000 eligible beneficiaries will be covered on January 1, 2014 with a projected take up between 30,000-45,000 a month over the course of the first year. CA has 35 health plan contract amendments and has worked closely with the Region 9 team to ensure all 35 contracts are executed prior to January 1, 2014. To ensure network adequacy, CA assessed health plan capacity based on the provider ratios, such as PCPs (1:2000) and Physicians (1:1200) as well as measures of time and distance to Hospitals and PCPs (10 miles or 30 minutes). Additionally, CA took into account the Primary Care Physicians who are accepting new patients.

The majority of the newly eligible adults will be enrolled in Medi-Cal managed care through the administrative eligibility transition of the current Low Income Health Program (LIHP) population. LIHP is a county-based, optional health care services program under the California "Bridge to Reform" §1115 Medicaid Demonstration. To meet expansion goals, DHCS in collaboration with stakeholders implemented a LIHP Transition Plan to ensure a seamless transition of LIHP enrollees to the Medi-Cal Program. CA monitors network capacity and access issues on a quarterly basis. Additionally, CA monitors access to care through an Ombudsman's office for Managed Care enrollees and a compliance call center through its Licensing department. CA will determine trends or daily activities to work with health plans to address issues or concerns of access to care. As a result of extensive preparation, CA remains in good standing to implement effective January 1, 2014.

MCO: Managed Care Organization

The managed care delivery system is the same as an already approved managed care program.

Approval Date: 7/3/2023 Effective Date: 1/1/2018

The managed care program is operating under (select one):
○ Section 1915(a) voluntary managed care program.
○ Section 1915(b) managed care waiver.
○ Section 1932(a) mandatory managed care state plan amendment.
• Section 1115 demonstration.
C Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.
Identify the date the managed care program was approved by CMS: Jun 28, 2013
The State submitted a section 1115 Demonstration proposal as a bridge toward full health care reform implementation in 2014. This proposal allows CA to phase in coverage in individual counties for adults aged 19-64 with incomes at or below 133 percent of the federal poverty level (FPL), who are eligible under the new Affordable Care Act State option and adults between 133 percent - 200 percent of the FPL who are not otherwise eligible for Medicaid; expand the existing Safety Net Care Pool (SNCP) that was established to ensure continued government support for the provision of health care to the uninsured by hospitals, clinics, and other providers; implement a series of infrastructure improvements through a new funding sub-pool, that would be used to strengthen care coordination, enhance primary care and improve the quality of patient care; create coordinated systems of care for Seniors and Persons with Disabilities (SPDs) in counties with new or existing Medi-Cal managed care organizations through the mandatory enrollment of the population into Medicaid managed care plans.
dditional Information: #type# (Optional)
rovide any additional details regarding this service delivery system (optional):
IHP: Prepaid Inpatient Health Plan
he managed care delivery system is the same as an already approved managed care program.
The managed care program is operating under (select one):
○ Section 1915(a) voluntary managed care program.
• Section 1915(b) managed care waiver.
○ Section 1115 demonstration.
O Section 1937 Alternative (Benchmark) Benefit Plan state plan amendment.
Identify the date the managed care program was approved by CMS: Dec 26, 2013
Describe program below: 1915 (b) Medi-Cal Specialty Mental Health Services (SMHS) Consolidation. Section 1915 (b) waivers relevant to Specialty Mental Health Services (SMHS) have been in effect in California since 1995. An eighth renewal of the SMHS waiver has been granted for a two year period effective July 1, 2013-June 30, 2015. For the purposes of the SMHS waiver program, persons with special health care needs are adults who have a serious mental disorder and children with a serious emotional disturbance. These beneficiaries are identified through the assessment process by the county Mental Health Plan (MHP) as meeting the SMHS medical necessity criteria. The design of managed care for California's Medi-Cal mental health program was phased in over several years. The State's enabling legislation for this waiver is set forth at Welfare and Institutions (W&I) Code, Sections 14680-14685.1 and 14700-14726.
All Medi-Cal beneficiaries are enrolled in the SMHS waiver and have access to the services provided through the waiver if they

meet the medical necessity criteria. During the eighth waiver renewal SMHS will be provided to the newly eligible adult beneficiaries by the county MHPs. CMS approved a waiver amendment request to include this population on December 26, 2013.

The PIHPs are not at risk for FFP for the cost of services. The SMHS Consolidation waiver program is administered locally by each county's MHP and each county's MHP provides, or arranges for, specialty mental health services for Medi-Cal beneficiaries. MHPs are not paid on a capitated basis; instead, MHPs are paid on a fee-for-service basis.

Beneficiaries are automatically enrolled in the single MHP in their county. The State continues to contractually require MHPs to ensure the availability and accessibility of adequate numbers of institutional facilities, service locations, service sites, and professional, allied and supportive personnel to provide medically necessary services, and ensure the authorization of services for urgent conditions on a one-hour basis.

Beneficiaries are provided with a choice of providers within the MHP and an opportunity to change providers whenever feasible. Although the regulation allows MHPs to limit the beneficiary's choice to two (2) providers, the beneficiary may request an additional change if not satisfied; the opportunity for choice may be limited by feasibility. In most cases, feasibility is linked to the number of providers in the MHP's network.

Access continues to be assured and monitored through state regulations, and the MHP contract, the State's review and approval of any amendments to the MHPs implementation plans for the program on-going contract management by the State; and formal triennial reviews of the MHPs conducted by State staff, and annual External Quality Reviews conducted by the contracted External Quality Review Organization.

Additional Information: #type# (Optional)

Provide any additional details regarding this service delivery system (optional):

Fee-For-Service Options

Indicate whether the state/territory offers traditional fee-for-service and/or services managed under an administrative services organization:

- Traditional state-managed fee-for-service
- O Services managed under an administrative services organization (ASO) arrangement

Please describe this fee-for-service delivery system, including any bundled payment arrangements, pay for performance, fee-for-service care management models/non-risk, contractual incentives as well as the population served via this delivery system.

A significant proportion of total Medi-Cal expenditures are generated through the FFS health care delivery system. FFS providers render services and then submit claims for payment that are adjudicated, processed and paid (or denied) by the Medi-Cal program's fiscal intermediary. Generally, Medi-Cal outpatient FFS rates are set at no more than 80% of the California Specific Medicare Rate. The CA-MMIS system reimburses at no more than the maximum allowable rate that is on file in the system. Further, as a result of the Managed Care expansion in California, all 58 counties now participate in a Managed Care system, which prior to the expansion served approximately 74% of the total Medi-Cal population or about 6.0M Medi-Cal beneficiaries in 30 counties. Specified services are carved out of the Managed Care Plans and only reimbursed via FFS, such as county based Specialty Mental Health Services (1915 (b) waiver) and Substance Use Disorder Services, which are reimbursed on a cost-based fee-for-service basis, based on certified public expenditures.

Additional Information: Fee-For-Service (Optional)

Provide any additional details regarding this service delivery system (optional):

Employer Sponsored Insurance and Payment of Premiums

The state/territory provides the Alternative Benefit Plan through the payment of employer sponsored insurance for participants with such coverage, with additional benefits and services provided through a Benchmark or Benchmark-Equivalent Benefit Plackage.

The state/territory otherwise provides for payment of premiums.

Provide a description including the population covered, the amount of premium assistance by population, required contributions, cost-effectiveness test requirements, and benefits information.

The Medicaid agency pays insurance premiums for medical or any other type of remedial care to maintain a third party resource for Medicaid covered services provided to eligible individuals. The requirements for Requirements for Health Insurance Premium Payment (HIPP) Program / Cost Avoidance: Full scope or fee-for-service Medi-Cal; a high cost medical condition that requires on-going treatment from a medical provider; current health insurance coverage (or access to health coverage through an employer at the time of application) – policy must cover the health condition.

Other Information Regarding Employer Sponsored Insurance or Payment of Premiums:

The state assures that ESI coverage is established in sections 3.2 and 4.22(c) of the state's approved Medicaid state plan. The beneficiary will receive a benefit package that includes a wrap of benefits around the employer sponsored insurance plan that equals the benefit package to which the beneficiary is entitled. The beneficiary will not be responsible for payment of premiums or other cost sharing that exceeds nominal levels as established at 42 CFR part 447 subpart A."
