Re: California State Plan Amendment (SPA) 22-0051

Dear Director Sadwith:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 22-0051. This amendment proposes to align the Alternative Benefit Plan with the Medicaid state plan by adding doula services and updates the Federally Qualified Health Centers (FQHC) and Rural Health Clinic (RHC) services category to include associate marriage and family therapist (AMFT) services and associate clinical social worker (ACSW) services.

We conducted our review of your submittal according to statutory requirements in in Title XIX of the Act and implementing regulations at 42 Code of Federal Regulations (CFR) 440.360. This letter is to inform you that California Medicaid SPA 22-0051 was approved on December 12, 2024 with an effective date January 1, 2023 unless otherwise noted.

Enclosed are copies of Form CMS-179 and approved SPA pages to be incorporated into the California State Plan.
