RE: Connecticut State Plan Amendment (SPA) Transmittal Number 21-0013

Dear Deputy Commissioner Brennan:

We have reviewed the proposed Connecticut State Plan Amendment (SPA) to Attachment 4.19-B of your state plan, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on March 30, 2021. This plan amendment updated the physician office and outpatient fee schedule to increase rates for the Long-Acting Reversible Contraceptive (LARC) devices.

Based upon the information provided by the State, we have approved the amendment with an effective date of March 1, 2021. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact James Moreth at 206-615-2043 or James.Moreth@cms.hhs.gov.

Sincerely,

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State: CONNECTICUT

(5) Physician’s services – Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of physician’s services. The agency’s fee schedule rates were set as of March 1, 2021 and are effective for services provided on or after that date. All rates are published on the Connecticut Medical Assistance Program website: <https://www.ctdssmap.com>. From this web page, go to “Provider,” then to “Provider Fee Schedule Download,” then select the applicable fee schedule.

Person-Centered Medical Home (PCMH) practices are individual sites of independent physician groups, solo physician practices, nurse practitioner groups, and individual nurse practitioners that have met National Committee for Quality Assurance (NCQA) Level 2 or Level 3 medical home recognition or NCQA medical home recognition under the 2017 or later NCQA standards (which do not recognize specific levels of recognition). PCMH practices must comply with all NCQA PCMH requirements and all additional written department requirements, including participation in various primary care initiatives operated by the State.

The department offers a PCMH Glide Path program, which pays enhanced rates to practices that are providing some of the additional Medicaid services required for NCQA PCMH recognition. In order to qualify for Glide Path, a practice must demonstrate that it has begun providing a more advanced standard of primary care and has committed to achieving NCQA PCMH recognition in a set period of time. Glide Path practices must also comply with all additional written department requirements, including participation in various primary care initiatives operated by the State.

Beginning January 1, 2012, PCMH and Glide Path practices may be eligible for a rate add-on to the procedure codes on the physician fee schedule identified below. PCMH practices may also be eligible for retrospective annualized supplemental payments for performance incentives and performance improvement. Independent physician-led Glide Path practices with five or fewer full-time equivalent practitioners across all practice locations may also be eligible for a supplemental payment at each Glide Path phase.

(a) Glide Path and PCMH Rate Add-On: The department will pay a rate add-on for the following procedures in addition to the amounts listed for each procedure code on the physician fee schedule: 99201, 99202, 99203, 99204, 99205, 99211, 99212, 99213, 99214, 99215, 99304, 99305, 99306, 99307, 99308, 99309, 99310, 99315, 99316, 99318, 99324, 99325, 99326, 99327, 99328, 99334, 99335, 99336, 99337, 99339, 99341, 99342, 99343, 99344, 99345, 99347, 99348, 99349, 99350, 99381, 99382, 99383, 99384, 99385, 99386, 99387, 99391, 99392, 99393, 99394, 99395, 99396, 99397, 99401, 99402, 99403, 99404, 99406, 99407, 99408, 99409, 99411, 99412, 99417, 99374, 99377, 99379, 99380, 96110, 99050, 99051, 99053, D0145,
