RE: TN 26-0003

Dear Senior Deputy Director/Medicaid Director Byrd:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed District of Columbia State Plan Amendment (SPA) to Attachment 4.19-B DC-26-0003, which was submitted to CMS on June 23, 2026. This plan amendment updates the Home Health services.

We reviewed your SPA submission for compliance with statutory requirements including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2), of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of July 1, 2026. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Ysabel Gavino via email at Maria.Gavino@cms.hhs.gov.

Sincerely,

A solid black rectangular box redacting the signature of Todd McMillion.

7b. Home Health Services

Home Health services and provider qualifications are outlined per Attachment 3.1A, Supplement 1, page 8.1-9r and Attachment 3.1B, Supplement 1, page 7.1-8r. Reimbursement for Home Health Services shall be based on a prospective payment basis established by the State Medicaid Agency in accordance with the reimbursement methodologies outlined in this section and Section 21. For all services provided, the reimbursement will be the lesser of the amount described in Section 21 or derived from the methodology outlined in this section, or the amount charged by the provider.

Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of Home Health Services. The agency's fee schedule rates for Home Health Services were set as of July 1, 2026, and are effective for services provided on or after that date. All rates are published on the agency's website at:

<https://medicaid.dc.gov/InteractiveFeeSchedules/FeeScheduleSearch>

Rate Methodology

Effective October 1, 2017, the reimbursement rates for Home Health Aides shall be adjusted with the Living Wage rate published by the District of Columbia, Department of Employment Services. This adjustment entails updating the reimbursement rates to reflect the published living wage amount, to ensure the rates are consistently aligned with current District of Columbia Living wage rates in effect during that fiscal year.

In addition to the Living Wage, all rate methodologies under this section shall include the following administrative expense in the reimbursement rate calculation:

- 11% Employee Taxes - This is comprised of the Social Security (6.2%), Medicare (1.45%), Workers Compensation (2%) and Unemployment Benefits (1.18%)
- 8.13% Employee Benefits - Medical Insurance and Sick Leave Provision
- 18% - Provider Administrative overhead, based on the reviewed Fiscal Year (FY) 2013 cost reports filed by Home Health Agencies for Home Health services

Inflation Adjustment

Effective January 1, 2027 and annually thereafter, the reimbursement rates for Skilled Nursing services shall be adjusted annually by the Medicare Economic Index factor for skilled nursing published by the Centers for Medicare and Medicaid Services.

Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of Medicaid services set forth below. All rates are published on DHCF's website at
