RE: Georgia State Plan Amendment 20-0009

Dear Ms. Rhodes:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number 20-0009. Effective August 14, 2020, this amendment proposes to increase the reimbursement for ventilator dependent nursing facility residents. Specifically, this amendment proposes to increase the nursing facility per diem for a ventilator dependent resident by 3%. The rate will increase from $540.55 to $556.77.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903(a) of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. We have found that the proposed reimbursement methodology complies with applicable requirements and therefore have approved them with an effective date of August 14, 2020. We are enclosing the CMS-179 and the amended approved plan pages.

If you have any questions, please call Christie Erickson at (410) 786-8441.

Sincerely,

[Redacted]

For
Rory Howe
Acting Director
