RE: TN 22-0035

Dear Director Probert:

We have reviewed the proposed Maine State Plan Amendment (SPA) to Attachment 4.19-B ME-22-0035 which was submitted to the Centers for Medicare & Medicaid Services (CMS) on June 30, 2022. This plan amendment authorizes a 4.9% rate increase for Targeted Case Management Services.

Based upon the information provided by the State, we have approved the amendment with an effective date July 1, 2022. We are enclosing the approved CMS-179 and a copy of the new state plan page.

If you have any additional questions or need further assistance, please contact Blake Holt at 303-844-6218 or blake.holt@cms.hhs.gov.

Sincerely,

Division of Reimbursement Review

Enclosures
Amends reimbursement, effective July 1, 2022, of certain services through a cost-of-living adjustment (COLA). The COLA will be equal to an increase of 4.94% above the currently established rate(s).
19. Case Management Services - Payments for all Targeted Case Management services are made in accordance with 42 CPR 441.18 and will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. All payment rates for Targeted Case Management services are based on an established fee schedule using a standardized unit of service and a maximum per unit rate. The same level of provider furnishes all of the targeted case management services.

- Targeted Case Management Services are paid at the lesser of the following: the fee established by MaineCare, the lowest payment allowed by Medicare or the provider's usual and customary charge.

State-developed fee schedule rates are the same for both governmental and private providers. The agency's fee schedule rate was set as of July 1, 2022 and is effective for services provided on or after that date.
