Re: Michigan State Plan Amendment (SPA) 22-1004

Dear Ms. Hanley:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) MI 22-1004. This amendment aligns Michigan's Alternative Benefit Plan with the changes to prior authorization requirements for non-routine therapy services provided to beneficiaries residing in nursing facilities approved in the traditional Medicaid State Plan under MI-22-0017.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations. This letter is to inform you that Michigan Medicaid SPA 22-1004 was approved on February 16, 2023, with an effective date of January 1, 2023.

If you have any questions, please contact Christine Davidson at (312) 886-3642 or via email at Christine.davidson@cms.hhs.gov.

Sincerely,

James G. Scott, Director Division of Program Operations

For any Home and Community Based Services benefits as permitted in 1915(i) in ABP 5, the state assures that:

- 1. The service(s) are provided in settings that meet HCB setting requirements;
- 2. The services(s) meet the person-centered service planning requirements;
- 3. Individuals receiving these services meet the state-established needs-based criteria that are not related solely to age, disability, or diagnosis, and are less stringent than criteria for entry into institutions. Services can be accessed as needed, even if the individuals have needs that are below institutional level of care.
