Re: Approval of State Plan Amendment MI-22-1500 Chronic Care Management for Individuals with Serious and Persistent Mental Health Conditions

Dear Elizabeth Hertel,

On March 01, 2022, the Centers for Medicare and Medicaid Services (CMS) received Michigan State Plan Amendment (SPA) MI-22-1500 for Chronic Care Management for Individuals with Serious and Persistent Mental Health Conditions to expand its Health Home for Chronic Care Management for Individuals with Serious and Persistent Mental Health Conditions in select Michigan Counties.

We approve Michigan State Plan Amendment (SPA) MI-22-1500 with an effective date(s) of April 01, 2022.

For payments made to Health Homes providers for Health Homes participants who newly qualify based on the Health Homes program’s increased geographical coverage under this amendment, a medical assistance percentage (FMAP) rate of 90 percent applies to such payments for the period 4/1/2022 to 3/31/2024.

The FMAP rate for payments made to health homes providers will return to the state’s published FMAP rate at the end of the enhanced match period. The Form CMS-64 has a designated category of service Line 43 for states to report health homes services expenditures for enrollees with chronic conditions.

If you have any questions regarding this amendment, please contact keri rosenbloom at keri.toback@cms.hhs.gov

Sincerely,

James G. Scott
Director, Division of Program Operations
Center for Medicaid & CHIP Services
