Section 7 – General Provisions

7.4. B. Temporary Extension to the Disaster Relief Policies for the COVID-19 National Emergency

Effective May 12, 2023 until May 11, 2024, the agency temporarily extends the following election(s) of section 7.4 (approved 05/12/2021 in SPA number MI-21-0001) of the state plan:

Payments:

The agency makes the following adjustments to payment rates currently covered in the state plan:

COVID-19 Care and Recovery Center nursing facility care. The additional payments to nursing facilities are targeted to State designated COVID-19 Care and Recovery Centers as described below.

COVID-19 Care and Recovery Centers:

Effective January 1, 2021, Nursing Facility COVID-19 Care and Recovery Centers as designated by the State of Michigan will receive a:

- One-time preparedness stipend of \$40,000, \$60,000, or \$80,000, depending on the CRC bed count;*
- Monthly facility deposit of \$10,000, \$15,000, and \$20,000, depending on the CRC bed count; and*
- Supplemental payment of \$200 per beneficiary per day*

These payments are structured to address immediate staffing needs and infrastructure changes required to assure the facilities are able to meet the patient safety protocols necessary with this higher level of care, maintain necessary capacity in times of lesser need, and account for the higher costs of serving this population.

Additionally, a one-time regional incentive payment of \$100,000 will be provided to CRCs approved in underserved areas (CRC beds equal less than 10% of hospital and nursing facility COVID-19 cases in the emergency preparedness region).
