Dear Mr. Knodell:

On March 29, 2022, the Centers for Medicare & Medicaid Services (CMS) received Missouri State Plan (SPA) No. 22-0017. This State Plan Amendment adds coverage of the routine patient costs furnished in connection with participation in clinical trials as outlined in Section 1905(gg) in the Social Security Act for the population currently served in Missouri's Alternative Benefit Plan (ABP).

We are pleased to inform you that SPA 22-0017 was approved on June 23, 2022, with an effective date of January 1, 2022 as requested by the state. Enclosed is a copy the approved pages for incorporation into the Missouri State Plan.
