RE: New Hampshire State Plan Amendment (SPA) Transmittal Number 23-0047

Dear Interim Commissioner Weaver:

We have reviewed the proposed New Hampshire State Plan Amendment (SPA) to Attachment 4.19-B submitted under TN-23-0047 which was submitted to the Centers for Medicare & Medicaid Services (CMS) on September 21, 2023. This plan updates the rates for Target Case Management (TCM) Services.

Based upon the information provided by the State, we have approved the amendment with an effective date of July 1, 2023. We are enclosing the approved CMS-179 and a copy of the new state plan page.

Please note that our approval relates only to the requested change in payment methodology and that the resultant rates and related expenditures are consistent with section 1902(a)(30)(A) of the Act. CMS may still have questions on the funding structure in determining it's consistent with sections 1902(a)(2), 1903(a), and 1903(w) of the Act as implemented by 42 CFR §433.54. Approval of the subject SPA does not relieve the state of its responsibility to comply with federal laws and regulations, and to ensure that claims for federal funding are consistent with all applicable requirements. On April 2nd, 2021, CMS issued a letter on the New Hampshire Granite Advantage Health Care Trust Fund, in companion to the approval of New Hampshire's Medicaid managed care state directed payment preprints. The letter requested additional information to allow CMS to further review the state's sources of non-federal share financing of the Medicaid adult expansion population. The result of that review may also be applicable to the expenditures related to the payments authorized in this SPA.

If you have any additional questions or need further assistance, please contact Debi Benson at 1-312-886-0360 or Deborah.Benson@cms.hhs.gov.

Sincerely,
