RE: New Hampshire State Plan Amendment Transmittal Number 24-0007

Dear Commissioner Weaver:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed New Hampshire state plan amendment (SPA) to Attachment 4.19-D NH-24-0007, which was submitted to CMS on March 20, 2024. This plan amendment authorizes the quarterly nursing home supplemental payment, also known as MQIP, for dates of service in the quarter ending March 31, 2024.

We reviewed your SPA submission for compliance with statutory requirements, including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2), of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of January 1, 2024. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Mark Wong at 415-744-3561 or via email at mark.wong@cms.hhs.gov.

Sincerely,

Rory Howe
Director

f(1). Supplemental Medicaid Nursing Home Payment

Licensed CMS nursing facilities, both private and county operated, which provide Medicaid nursing home services shall be eligible to receive a supplemental nursing home payment. Payments are made quarterly in the quarter following the service quarter. Payments are based on the applicable Medicaid dates of service paid in the prior quarter. The purpose of the supplemental payment is to eliminate or reduce to the maximum extent possible the difference between the facility's allowable Medicaid costs and the per diem payments made to such facility which are derived from the nursing facility Medicaid acuity rate setting system multiplied by the budget adjustment factor in Section 9999.8, page 29(f), item 8 b.

The quarterly payment methodology is as follows:

1. The Department will allocate the supplemental pool quarterly among the eligible licensed nursing facilities. The pool for service quarter of January through March 2024 payment is \$21,545,511.31. On a quarterly basis, the Department shall furnish to the facilities, before supplemental payments are processed, a calculation exhibit which identifies each facility's calculated rate and supplemental payment for that quarter.
2. The supplemental pool shall be distributed based on each nursing facility's relative share of total Medicaid paid nursing home days as calculated by the NH Medicaid Management Information System (MMIS). The total paid Medicaid nursing home days for the service quarter of January through March 2024 payment is 305,793. Relative share shall equal each facility's total paid Medicaid nursing home days per the MMIS divided by the total of all nursing home paid Medicaid days (per the MMIS) for all facilities. (Facility total paid Medicaid nursing home days divided by total Medicaid nursing home paid days = relative share) x (supplemental pool \$\$) = supplemental payment.
