RE: State Plan Amendment (SPA) NY-22-0005

Dear Director Bassiri:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State Plan submitted under transmittal number (TN) 22-0005. This State Plan Amendment revises reimbursement to inpatient hospital psychiatric providers eligible for rural adjustments to the operating component of their base rate. The definition of rural designation for inpatient psychiatric services is changed from an average county population density of 225 per square mile to 300 per square mile based on 2020 census data.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a) and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C.

This is to inform you that Medicaid State Plan Amendment NY-22-0005 is approved effective January 1, 2022. The CMS-179 and the amended plan pages are attached.

If you have any questions or need further assistance, please contact James Francis at 857-357-6378 or via email at James.Francis@cms.hhs.gov.

Sincerely,

Rory Howe
Director

TN #22-0005 Approval Date April 18, 2024 Supersedes TN #18-0059 Effective Date January 1, 2022

**New York
117(i)(1)**

1905(a)(1) Inpatient Hospital Services

- iii. A rural adjustment factor of 1.2309 will be applied to the operating per diem for those hospitals designated as rural hospitals. A rural facility is a general hospital with a service area which has an average population of less than 175 persons per square mile, or a general hospital with a service area which has an average population of less than 200 persons per square mile measured as population density by zip code. For dates of service beginning on or after July 1, 2014, rural designation will be applicable to hospitals located in an upstate region, as defined in subparagraph (l) of this section, and with population densities of 225 persons or fewer per square mile as determined based on the New York State 2010 Vital Statistics table of estimated population, land area, and population density. For dates of service beginning on or after January 1, 2022, rural designation will be applicable to hospitals located in an upstate region, as defined in subparagraph (l) of this section, and with population densities of 300 persons or fewer per square mile as determined based on the New York State 2020 Vital Statistics table of estimated population, land area, and population density.

- iv. An age adjustment payment factor of 1.3597 will be applied to the per diem operating component for adolescents ages 17 and under. For ages 18 and over, an adjustment payment factor of 1 will be applied.

TN #22-0005

Approval Date April 18, 2024

Supersedes TN NEW

Effective Date January 1, 2022
