One Commerce Plaza Rm. 1605
Albany, NY 12237

Re: New York State Plan Amendment (SPA) - 25-0069

Dear Director Bassiri:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) NY-25-0069. This amendment proposes to remove the September 30, 2025, expiration date from the existing State Plan to continue the mandatory Medication-Assisted Treatment (MAT) benefit and comply with federal statute.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations. This letter informs you that New York's Medicaid SPA TN 25-0069 was approved on February 24, 2026, with an effective date of October 1, 2025.

Enclosed are copies of Form CMS-179 and approved SPA pages to be incorporated into the New York State Plan.

If you have any questions, please contact Melvina Harrison at (212) 616-2247 or via email at Melvina.Harrison@cms.hhs.gov.

Sincerely,

A solid black rectangular box redacting the signature of Wendy E. Hill Petras.

Wendy E. Hill Petras, Acting Director
Division of Program Operations

State Plan under Title XIX of the Social Security Act
State/Territory: New York

Section 1905(a)(29) Medication Assisted Treatment (MAT)

General Assurances

[Select all three checkboxes below.]

MAT is covered under the Medicaid state plan for all Medicaid beneficiaries who meet the medical necessity criteria for receipt of the service for the period beginning October 1, 2020.

The state assures coverage of Naltrexone, Buprenorphine, and Methadone and all of the forms of these drugs for MAT that are approved under section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) and all biological products licensed under section 351 of the Public Health Service Act (42 U.S.C. 262).

The state assures that Methadone for MAT is provided by Opioid Treatment Programs that meet the requirements in 42 C.F.R. Part 8.

Service Package

The state covers the following counseling services and behavioral health therapies as part of MAT: [Please describe in the text fields as indicated below.]

Please set forth each service and components of each service (if applicable), along with a description of each service and component service.

Effective October 1, 2020, the state assures that MAT to treat Opioid Use Disorder (OUD) as defined in section 1905(ee)(1) of the Social Security Act (the Act) is covered exclusively under section 1905(a)(29) of the Act. Service Components include:

1. Assessment - The purpose of the assessment is to provide sufficient information for problem identification, opioid use disorder treatment, or referral for the beneficiary to gain access to other needed Medicaid Addiction or mental health services.
2. Service Planning - Clinical treatment plan development –The treatment plan for opioid use disorder treatment services must be patient-centered and developed in collaboration with the patient and patients' family/collaterals, where appropriate.
3. Counseling/Therapy - Counseling/Therapy to address a beneficiary's major lifestyle, attitudinal, and behavioral problems. Counseling/Therapy includes highly structured psychosocial therapy to address issues that have the potential to undermine the goals of

State Plan under Title XIX of the Social Security Act
State/Territory: New York

Section 1905(a)(29) Medication Assisted Treatment (MAT)

Please include a brief summary of the qualifications for each practitioner or provider entity that the state requires. Include any licensure, certification, registration, education, experience, training and supervisory arrangements that the state requires.

Services are provided by licensed and unlicensed professional staff, who are at least 18 years of age with a high school or equivalent diploma, according to their areas of competence as determined by degree, required levels of experience as defined by state law and regulations and OASAS approved guidelines and certifications.

- Licensed Master Social Workers, Licensed Clinical Social Workers, Licensed Mental Health Counselors, Licensed Marriage and Family Therapists, Licensed Psychoanalysts, Registered Nurses, Licensed Creative Arts Therapists, Licensed Practical Nurses, Nurse Practitioners, Physicians, and Psychologists are licensed by New York Education Department to furnish services within their scope of practice in accordance with state law.
- Credentialed Alcoholism and Substance Abuse Counselors are credentialed by OASAS, working within an entity certified pursuant to state law and operating under their scope of practice under state law. Including: 1. a minimum of 6,000 hours of documented supervised experience, including provision of direct services in an approved OASAS work setting or substitute Master's Degree in a Human Services field for 4,000 hours experience; Bachelor's Degree in a Human Services field for 2,000 hours experience; an Associate's Degree in a Human Services field for 1,000 hours experience; 2. Meet minimum education and training requirements including a minimum of 350 hours which address the full range of knowledge, skills and professional techniques related to chemical dependence counseling; Note: A formal internship or formal field placement may be claimed as work experience OR education and training, but not both. Work experience claimed may not include any experience gained as part of, or required under, participation as a patient in a formal alcoholism and/or substance abuse or problem gambling treatment/aftercare program and/or plan; 3. Pass International Certification and Reciprocity Consortium (IC&RC) examination for Alcohol and Drug Counselors comprised of 150 multiple-choice questions derived from the counselor tasks identified in the IC&RC Candidate Guide.
- Credentialed Alcoholism and Substance Abuse Counselor Trainee (CASAC-T) are provisionally credentialed by operating under their scope of practice under state law for a period of five years

PRA Disclosure Statement - This use of this form is mandatory and the information is being collected to assist the Centers for Medicare & Medicaid Services in implementing section §1905(a)(29) of the Social Security Act. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. to meet requirements to be a CASAC. The CASAC Trainee certificate is not renewable. However, if the CASAC-T is an examination candidate when the CASAC Trainee certificate expires, a three-year extension may be requested. The candidate must satisfy the following to obtain a trainee certificate: 350 hours of the required education and training; OR 4,000 hours of appropriate work experience and the 85 clock hours in Section 1 of the education and training related to knowledge of alcoholism and substance abuse.

- Certified Recovery Peer Advocate (CRPA) is a self-identified consumer in recovery from mental illness and/or substance use disorder to furnish services within an entity certified pursuant to state law and under supervision of a licensed or credentialed practitioner within their scope of practice as identified in the patient's treatment/recovery plan, working under the direction of an OASAS certified agency, and meets the following OASAS regulatory standards for education, work experience and training: 1. Completion of education and training relevant to the performance domains identified in the Recovery Coach Job Task Analysis Report. 2. Hold a high school diploma or jurisdictionally certified high school equivalency. 3. 46 hours specific to the domains, with 10 hours each in the domains of Advocacy, Mentoring/Education, and Recovery/Wellness Support and 16 hours in the domain of Ethical Responsibility. 4. Complete 500 hours of volunteer service; 5. Receive 25 hours of supervision specific to the domains. Supervision must be provided by an organization's documented and qualified supervisory staff per job description. 6. Pass the NYCB/IC&RC Peer Advocate Exam. 7. Complete 20 hours of continuing education earned every two years, including six hours in ethics. 8. Employment by and providing services within an OASAS Certified Program.

- Non-Credentialed Counselors must meet education, experiential and training requirements, including: 1. Education a. minimum of HS Diploma or GED; and i. a credential, certificate or license from a nationally recognized certifying body including the National Board for Certified Counselors, the Commission of Rehabilitation Counselor Certification, the National Council on Therapeutic Recreation or the American Therapeutic Recreation Association; OR ii. Hold a baccalaureate degree in a field allied to therapeutic recreation and, either before or after receiving such degree, has five years of full-time, paid work experience in an activities program in a health care setting; 2. Successful completion of training, including Supporting Recovery with Medications for Addiction Treatment (MAT), 12 hours Introductory Training in the

Utilization Controls

[Select all applicable checkboxes below.]

- The state has drug utilization controls in place. (Check each of the following that apply)
- Generic first policy
 - Preferred drug lists
 - Clinical criteria
 - Quantity limits
- The state does not have drug utilization controls in place.

Limitations

[Describe the state's limitations on amount, duration, and scope of MAT drugs, biologicals, and counseling and behavioral therapies related to MAT.]

Click or tap here to enter text.

NYS Medicaid covers drugs and biologicals FDA indicated and labeled or compendia supported for MAT use within dosage and duration parameters. The NYS Medicaid Pharmacy Benefit has several Drug Utilization Management programs. MAT drugs and biologicals are included in the following Drug Utilization Management programs:

1. Brand Less Than Generic Program - This program is a cost containment initiative which promotes the use of certain multi-source brand name drugs when the cost of the brand name drug is less expensive to the State, than the generic equivalent.
2. Preferred Drug Program - This program promotes the use of less expensive, equally effective prescription drugs when medically appropriate. All drugs currently covered by Medicaid remain available under the PDP and the determination of preferred and non-preferred drugs does not prohibit a prescriber from obtaining any of the medications covered under Medicaid.
3. Drug Utilization Review - This program helps to ensure that prescriptions for outpatient drugs are appropriate, medically necessary, and not likely to result in adverse medical consequences. DUR programs use professional medical protocols

PRA Disclosure Statement - This use of this form is mandatory and the information is being collected to assist the Centers for Medicare & Medicaid Services in implementing section §1905(a)(29) of the Social Security Act. [Select all three checkboxes below.]

MAT is covered under the Medicaid state plan for all Medicaid beneficiaries who meet the medical necessity criteria for receipt of the service for the period beginning October 1, 2020.

The state assures coverage of Naltrexone, Buprenorphine, and Methadone and all of the forms of these drugs for MAT that are approved under section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) and all biological products licensed under section 351 of the Public Health Service Act (42 U.S.C. 262).

The state assures that Methadone for MAT is provided by Opioid Treatment Programs that meet the requirements in 42 C.F.R. Part 8.

Service Package

The state covers the following counseling services and behavioral health therapies as part of MAT: [Please describe in the text fields as indicated below.]

Please set forth each service and components of each service (if applicable), along with a description of each service and component service.

Effective October 1, 2020, the state assures that MAT to treat Opioid Use Disorder (OUD) as defined in section 1905(ee)(1) of the Social Security Act (the Act) is covered exclusively under section 1905(a)(29) of the Act. Service Components include:

1. Assessment - The purpose of the assessment is to provide sufficient information for problem identification, opioid use disorder treatment, or referral for the beneficiary to gain access to other needed Medicaid Addiction or mental health services.
2. Service Planning - Clinical treatment plan development –The treatment plan for opioid use disorder treatment services must be patient-centered and developed in collaboration with the patient and patients' family/collaterals, where appropriate.
3. Counseling/Therapy - Counseling/Therapy to address a beneficiary's major lifestyle, attitudinal, and behavioral problems. Counseling/Therapy includes highly structured psychosocial therapy to address issues that have the potential to undermine the goals of

PRA Disclosure Statement - This use of this form is mandatory and the information is being collected to assist the Centers for Medicare & Medicaid Services in implementing section §1905(a)(29) of the Social Security Act. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. The OMB control number for this project is 0938-1148 (CMS-10398 #68). Public burden for all of the collection of information requirements under this control number is estimated to take about 25 hours per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CMS, 7500 Security Boulevard, Attn: Paperwork Reduction Act Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

to meet requirements to be a CASAC. The CASAC Trainee certificate is not renewable. However, if the CASAC-T is an examination candidate when the CASAC Trainee certificate expires, a three-year extension may be requested. The candidate must satisfy the following to obtain a trainee certificate: 350 hours of the required education and training; OR 4,000 hours of appropriate work experience and the 85 clock hours in Section 1 of the education and training related to knowledge of alcoholism and substance abuse.

- Certified Recovery Peer Advocate (CRPA) is a self-identified consumer in recovery from mental illness and/or substance use disorder to furnish services within an entity certified pursuant to state law and under supervision of a licensed or credentialed practitioner within their scope of practice as identified in the patient's treatment/recovery plan, working under the direction of an OASAS certified agency, and meets the following OASAS regulatory standards for education, work experience and training: 1. Completion of education and training relevant to the performance domains identified in the Recovery Coach Job Task Analysis Report. 2. Hold a high school diploma or jurisdictionally certified high school equivalency. 3. 46 hours specific to the domains, with 10 hours each in the domains of Advocacy, Mentoring/Education, and Recovery/Wellness Support and 16 hours in the domain of Ethical Responsibility. 4. Complete 500 hours of volunteer service; 5. Receive 25 hours of supervision specific to the domains. Supervision must be provided by an organization's documented and qualified supervisory staff per job description. 6. Pass the NYCB/IC&RC Peer Advocate Exam. 7. Complete 20 hours of continuing education earned every two years, including six hours in ethics. 8. Employment by and providing services within an OASAS Certified Program.

- Non-Credentialed Counselors must meet education, experiential and training requirements, including: 1. Education a. minimum of HS Diploma or GED; and i. a credential, certificate or license from a nationally recognized certifying body including the National Board for Certified Counselors, the Commission of Rehabilitation Counselor Certification, the National Council on Therapeutic Recreation or the American Therapeutic Recreation Association; OR ii. Hold a baccalaureate degree in a field allied to therapeutic recreation and, either before or after receiving such degree, has five years of full-time, paid work experience in an activities program in a health care setting; 2. Successful completion of training, including Supporting Recovery with Medications for Addiction Treatment (MAT), 12 hours Introductory Training in the

State/Territory: New York

Section 1905(a)(29) Medication Assisted Treatment (MAT)

Utilization Controls

[Select all applicable checkboxes below.]

- The state has drug utilization controls in place. (Check each of the following that apply)
- Generic first policy
 - Preferred drug lists
 - Clinical criteria
 - Quantity limits
- The state does not have drug utilization controls in place.

Limitations

[Describe the state's limitations on amount, duration, and scope of MAT drugs, biologicals, and counseling and behavioral therapies related to MAT.]

Click or tap here to enter text.

NYS Medicaid covers drugs and biologicals FDA indicated and labeled or compendia supported for MAT use within dosage and duration parameters. The NYS Medicaid Pharmacy Benefit has several Drug Utilization Management programs. MAT drugs and biologicals are included in the following Drug Utilization Management programs:

1. Brand Less Than Generic Program - This program is a cost containment initiative which promotes the use of certain multi-source brand name drugs when the cost of the brand name drug is less expensive to the State, than the generic equivalent.
2. Preferred Drug Program - This program promotes the use of less expensive, equally effective prescription drugs when medically appropriate. All drugs currently covered by Medicaid remain available under the PDP and the determination of preferred and non-preferred drugs does not prohibit a prescriber from obtaining any of the medications covered under Medicaid.
3. Drug Utilization Review - This program helps to ensure that prescriptions for outpatient drugs are appropriate, medically necessary, and not likely to result in adverse medical consequences. DUR programs use professional medical protocols
