Melody Anthony State Medicaid Director Oklahoma Health Care Authority 4345 North Lincoln Boulevard Oklahoma City, OK 73105

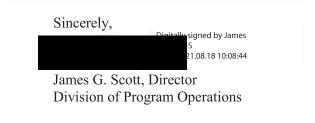

Dear Ms. Anthony:

On June 9, 2021, the Centers for Medicare & Medicaid Services (CMS) received Oklahoma State Plan (SPA) No. 21-0014. This SPA was submitted to update Oklahoma's Alternative Benefit Plan (ABP) to remove the 24-day visit limitation for inpatient physician services, add Medication Assistive Treatment (MAT) services, and enhance dental services for adults.

We are pleased to inform you that SPA 21-0014 was approved on August 17, 2021 with an effective date of July 1, 2021, as requested by the state. Enclosed is a copy of the CMS 179 summary form, as well as the approved pages for incorporation into the Oklahoma State Plan.

All requirements pertaining to ABPs must be met including, but not limited to: benefits, payment rates, reimbursement methodologies, cost-sharing state plan pages, and (if applicable) managed care service delivery systems (waivers and contracts). Amendments to the state's approved Medicaid program (SPAs, waivers, contracts) may require corresponding amendments to the ABP if the changes to the benefit to the approved state plan will be mirrored in the ABP.

If you have any questions regarding this matter you may contact Deborah Read (816) 426-5925 or by e-mail at Deborah.read@cms.hhs.gov.
