STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT  
STATE / TERRITORY: COMMONWEALTH OF PUERTO RICO

Requirements for Third Party Liability  
Payment of Claims

Puerto Rico has established methods through which providers must screen for Third Party Liability (TPL) payments where TPL is known to exist, prior to submitting claims to Medicaid. The Third-Party Liability (TPL) Program is designed to function primarily as a cost avoidance system.

Puerto Rico complies with the following TPL requirements:

Social Security Act Section 1902 (a)(25)(E): Applying cost avoidance procedures to claims for prenatal services, including labor, delivery, and postpartum care services.

Social Security Act Section 1902 (a)(25)(E): Making payment without regard to potential third-party liability for pediatric preventive services, unless the state has made a determination related to cost-effectiveness and access to care that warrants cost avoidance for up to 90 days.

Social Security Act Section 1902 (a)(25)(F): Making payment for claims related to child support enforcement beneficiaries without regard to potential third-party liability, if payment has not been made by the third party within 100 days after the provider submitted a claim to the third party, except that Puerto Rico may make such payment within 30 days after such date if it determines doing so is cost effective and necessary to ensure access to care.

Threshold Amounts for Purposes of Seeking Recovery from a Liable Third Party Pursuant to 42 C.F.R §433.139(f)(2).

In determining pursuit of recovery, Puerto Rico will seek recovery unless the agency determines that the recovery will not be cost effective. A threshold of $250 will be used as a guideline in its attempts to recover from liable third parties.

Threshold Amounts and Timing for Purposes of Seeking Recoveries Pursuant to 42 C.F.R §433.139(f)(3).

In determining pursuit of recovery, Puerto Rico will seek recovery unless the agency determines that the recovery will not be cost effective. A threshold of $250 will be used as a guideline in its attempts to recover from liable third parties.
(c) Providers are required to bill liable third parties when services covered under the plan are furnished to an individual on whose behalf child support enforcement is being carried out by the State IV-D agency.

(d) ATTACHMENT 4.22-B specifies the following:

42 CFR 433.139(b)(3)(ii)(c) (1) The method used in determining a provider’s compliance with the third-party billing requirements at §433.139(b)(3)(ii)(C).

42 CFR 433.139(f)(2) (2) The threshold amount or other guideline used in determining whether to seek recovery of reimbursement from a liable third party, or the process by which the agency determines that seeking recovery of reimbursement would not be cost effective.

42 CFR 433.139(f)(3) (3) The dollar amount or time period the State uses to accumulate billings from a particular liable third party in making the decision to seek recovery of reimbursement.

42 CFR 447.20 (e) The Medicaid agency ensures that the provider furnishing a service for which a third party is liable follows the restrictions specified in 42 CFR 447.20.
