Re: South Carolina State Plan Amendment (SPA) 22-0006

Dear Director Kerr:

The Centers for Medicare & Medicaid Services (CMS) reviewed the proposed Medicaid State Plan Amendment (SPA) submitted under transmittal number (SC) 22-0006. This amendment proposes to add language to attest to the coverage of COVID-19 vaccine, treatment, and testing as required by the American Recovery Plan.

Pursuant to section 1135(b)(5) of the Act, for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. 430.20 that the state submit SPAs related to the COVID-19 public health emergency by the final day of the quarter, to obtain a SPA effective date during the quarter, enabling SPAs submitted after the last day of the quarter to have an effective date in a previous quarter, but no earlier than the effective date of the public health emergency.

The State of South Carolina also requested a waiver to modify the public notice requirements applicable to the SPA submission process. Pursuant to section 1135(b)(5) of the Act, CMS is modifying public notice requirements applicable to the SPA submission process. Public notice for SPAs is required under 42 C.F.R. §447.205 for changes in statewide methods and standards for setting Medicaid payment rates, 42 C.F.R. §447.57 for changes to premiums and cost sharing, and 42 C.F.R. §440.386 for changes to Alternative Benefit Plans (ABPs). Pursuant to section 1135(b)(5) of the Act, CMS is approving the state's request to modify these notice requirements otherwise applicable to SPA submissions.

The State of South Carolina also requested a waiver to modify the tribal consultation timeline applicable to this SPA submission process. Pursuant to section 1135(b)(5) of the Act, CMS is also allowing states to modify the timeframes associated with tribal consultation required under section 1902(a)(73) of the Act, including shortening the number of days before submission or conducting consultation after submission of the SPA.
