(c) Providers are required to bill liable third parties when services covered under the plan are furnished to an individual on whose behalf child support enforcement is being carried out by the State IV-D agency.

(d) ATTACHMENT 4.22-B specifies the following:

(1) The method used in determining a provider’s compliance with the third party billing requirements at §433.139(b)(3)(ii)(C).

(2) The threshold amount or other guideline used in determining whether to seek recovery of reimbursement from a liable third party, or the process by which the agency determines that seeking recovery of reimbursement would not be cost effective.

(3) The dollar amount or time period the State uses to accumulate billings from a particular liable third party in making the decision to seek recovery of reimbursement.

(e) The Medicaid agency ensures that the provider furnishing a service for which a third party is liable follows the restrictions specified in 42 CFR 447.20.
STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: Tennessee

4.22 – Third Party Liability

Citation

433.139 (b)(3)(ii)(C) A claim cost avoidance system as outlined in 42 CFR 433.139 is utilized. All claims, except those listed below, will be cost avoided based on available insurance resource information. No threshold amount will be employed in conjunction with the cost avoidance method in processing claims.

The exceptions to the cost avoidance method are EPSDT, preventive pediatric care, and all claims covered by the health insurance maintained by the absent parent under Part D of Title IV of the Act.

1902(a)(25)(E) and 1902(a)(25)(F) of the Act The State Agency complies with each of the following requirements:

1. Application of cost avoidance procedures to claims for prenatal services, including labor, delivery, and postpartum care services;

2. Making payments without regard to potential third party liability for pediatric preventive services, unless the State Agency has made a determination related to cost-effectiveness and access to care that warrants cost avoidance for up to 90 days; and

3. Flexibility to make payments without regard to potential third party liability for up to 100 days for claims related to child support beneficiaries.

433.139 (f)(2) & (3) When an absent parent is ordered by the court to provide health insurance, but the insurance is not in effect, the State Agency shall initiate recovery action through the absent parent.

Pursuant to a waiver renewal from HCFA, Region IV, pharmacy claims will be accumulated on a monthly basis for direct filing to the third party carrier.

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory:  Tennessee

4.22 – Third Party Liability

The State Agency will pursue recovery on certain trauma diagnosis and employment related claims at the time a liable third party is verified. All related claims (except pharmacy claims) will be submitted to the identified third party.

The State Agency will pursue reimbursement from a third party resource whenever the value of the claim to be recovered exceeds the cost of the recovery effort. Minimum recovery thresholds (i.e., claim amounts below which recovery would not be pursued) may be periodically established to guide this process.

447.20 Medical assistance benefits shall be coordinated with third party resources and reimbursement shall not be made for services which would have been reimbursable by the third party except for failure to adhere to the third party's requirements. Additionally, if the liability of the third party exceeds the amount payable under the state plan, the provider may not seek collection from the individual.
