Re: Tennessee State Plan Amendment (SPA) 20-0006

Dear Director Smith:

We have reviewed the proposed amendment to add section 7.5, Medicaid Disaster Relief for the COVID-19 National Emergency, to your Medicaid state plan, as submitted under transmittal number (TN) 20-0006. This amendment proposes to implement temporary policies, which are different from those policies and procedures otherwise applied under your Medicaid state plan, during the period of the Presidential and Secretarial emergency declarations related to the COVID-19 outbreak (or any renewals thereof).

On March 13, 2020, the President of the United States proclaimed that the COVID-19 outbreak in the United States constitutes a national emergency by the authorities vested in him by the Constitution and the laws of the United States, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and consistent with section 1135 of the Social Security Act (Act). On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences of the COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to provide that health care providers that furnish such items and services in good faith but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse. This authority took effect as of 6 PM Eastern Standard Time on March 15, 2020, with a retroactive effective date of March 1, 2020. The emergency period will terminate, and this state plan provision will no longer be in effect upon termination of the public health emergency, including any extensions.

Pursuant to section 1135(b)(5) of the Act, for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. 430.20 that the state submit SPAs related to the COVID-19 public health emergency by the final day of the quarter, to obtain a SPA effective date during the quarter, enabling SPAs submitted after the last day of the quarter to have an effective date in a previous quarter, but no earlier than the effective date of the public health emergency.

We conducted our review of your submittal according to the statutory requirements in section 1902(a) of the Act and implementing regulations. This letter informs you that Tennessee's Medicaid SPA Transmittal Number 22-0006 is approved, effective March 13, 2020. This SPA is in addition to all previous approved Disaster Relief SPAs, and does not supersede anything approved in those SPAs.

Enclosed is a copy of the CMS-179 summary form and the approved state plan pages.

Please contact Tandra Hodges at (404) 562-7409 or by email at Tandra.Hodges@cms.hhs.gov if you have any questions about this approval. We appreciate your and your staff's efforts in responding to the needs of residents of the State of Tennessee and the healthcare community.

Sincerely,
