METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATE-
OTHER TYPES OF CARE

16.1 Reimbursement for personal care services for individuals enrolled in the Medicaid Buy-In program described in Attachment 2.6A, Supplement 8a, p 1-3 or for personal care services covered under EPSDT. All governmental and private providers are reimbursed according to the same published fee schedule, located on the Agency's website at the following address: https://www.dmas.virginia.gov/for-providers/general-information/procedure-fee-files-cpt-codes/ The Agency's rates, based upon one-hour increments, were set as of January 1, 2022, and shall be effective for 1902(a) state plan authorized services on and after that date. Qualifying overtime for consumer-directed personal care provided under EPSDT will be paid 150% of the fee schedule, and qualifying sick leave for consumer-directed personal care provided under EPSDT will be at 100% of the fee schedule.

16.2. Private duty nursing services covered under EPSDT as defined per Supplement 1 to Attachment 3.1A&B, page 6.4.8, with provider qualifications on page 6.4.8, are reimbursed based on a 15-minute unit of service in accordance with the State Agency fee schedule. The fee schedule is the same for both governmental and private providers and was set as of August 8, 2021 and shall be effective for services provided on and after that date. The state agency fee schedule is published on the DMAS website at https://www.dmas.virginia.gov/for-providers/general-information/procedure-fee-files-cpt-codes/

16.3 Medical Supplies, Equipment and Appliances (assistive technology) covered under EPSDT, as defined per Supplement 1 to Attachment 3.1A&B, page 6.4.9, with provider qualifications on page 6.4.10. The service shall be reimbursed based upon the total cost of all AT incurred by the provider.

16.4 Reserved.

16.5 Hospice services, as defined per Attachment 3.1A&B, Supplement 1, pages 33-37. Hospice services payments are effective October 1 annually and are equivalent to the annual Medicaid hospice rates published by CMS. As of July 1, 2019, room and board will be reimbursed at a rate equal to 100 percent of the skilled nursing facility rate for Medicaid members receiving hospice services who reside in a nursing facility. Hospice services shall be paid according to the location of the service delivery and not the location of the Agency's home office. Payments to a hospice for inpatient care are limited according to the number of days of inpatient care furnished to Medicaid members. During the twelve (12) month period beginning October 1 of each year and ending September 30 of the next year, the aggregate number of inpatient days (both general inpatient days and inpatient respite care days) for any given hospice provider may not exceed twenty percent (20%) of the total number of days of hospice care provided to all Medicaid members during the same period.

Services that are included in the hospice reimbursement are: (a) Routine Home Care where most hospice care is provided - Days 1-60; (b) Routine Home Care where most hospice care is provided-Days 61 and over; (c) Continuous Home Care; (d) Hospice Inpatient Respite Care; (e) Hospice General Inpatient Care; (f) Service Intensity Add-On (SIA) will be made for a visit by a social worker or a registered nurse (RN), when provided during routine home care provided in the last 7 days of a Medicaid member's life. The SIA payment is in addition to the routine home care rate. The SIA Medicaid reimbursement will be equal to the Continuous Home Care hourly payment rate (as calculated annually by CMS), multiplied by the amount of direct patient care hours provided by an RN or social worker for up to four (4) hours total that occurred on the day of service, and adjusted by the appropriate hospice wage index published by CMS.

16.3.1 Effective July 1, 2019, the telehealth originating site facility fee shall be set at 100 percent of the Medicare rate and shall reflect changes annually based on any changes in the Medicare rate.
