Re: Virginia State Plan Amendment (SPA) - 25-0022

Dear Director Roberts:

The Centers for Medicare & Medicaid Services (CMS) has reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 25-0022. This SPA proposes to remove the September 30, 2025, sunset date for the Medication-Assisted Treatment (MAT) benefit making the MAT benefit permanent under the Medicaid State Plan in accordance with federal statute.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations. This letter informs you that Virginia's Medicaid SPA TN 25-0022 was approved on January 14, 2026, with an effective date of October 1, 2025.

Enclosed are copies of the Form CMS-179 and approved SPA pages to be incorporated into the Virginia State Plan.

If you have any questions, please contact Margaret Kosherzenko at (215) 861-4288 or via email at Margaret.Kosherzenko@cms.hhs.gov.

Sincerely,

Section 1905(a)(29) Medication Assisted Treatment (MAT)

Service Package

The state covers the following counseling services and behavioral health therapies as part of MAT: **[Please describe in the text fields as indicated below.]**

Please set forth each service and components of each service (if applicable), along with a description of each service and component service.

Service Component: Assessment

- ***Service Component Description:*** Means the individualized, person-centered biopsychosocial assessment performed face-to-face, in which the provider obtains comprehensive information from the individual.

Service Component: Individual Service Plan

- ***Service Component Description:*** Development of a person-centered plan of care that is specific to the individual's unique treatment needs, developed with the individual, in consultation with the individual's family, as appropriate.

Service Component: Individual, Family, and Group Therapy

- ***Service Component Description:*** Application of principles, standards, and methods of the counseling profession in (i) conducting assessments and diagnoses for the purpose of establishing treatment goals and objectives and (ii) planning, implementing, and evaluating treatment plans using treatment interventions to facilitate human development and to identify and remediate mental, emotional, or behavioral disorders and associated distresses that interfere with mental health. Includes evidenced-based patient counseling on addiction, treatment, recovery, and associated health risks.

Family therapy services that involve the participation of a non-Medicaid eligible is for the direct benefit of the beneficiary. The service must actively involve the beneficiary in the sense of being tailored to the beneficiary's individual needs. There may be times when, based on clinical judgment, the beneficiary is not present during the delivery of the service, but remains the focus of the service.

Service Component: Medication Administration

- ***Service Component Description:*** The administration of medication related to opioid use disorder treatment or the monitoring for adverse side effects or results of that medication; interventions are matched to levels of patient progress and intended outcomes.

PRA Disclosure Statement - This use of this form is mandatory and the information is being collected to assist the Centers for Medicare & Medicaid Services in implementing section §1905(a)(29) of the Social Security Act. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law.
