Dear Ms. Birch and Ms. Lindeblad:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of State Plan Amendment (SPA) Transmittal Number WA 20-0009.

In response to the coronavirus pandemic, the Families First Coronavirus Response Act (FFCRA) was signed into law (Pub. L. 116-127). The FFCRA authorizes a temporary 6.2 percentage point increase to each qualifying state Federal Medical Assistance Percentage (FMAP) under section 1905(b) of the Social Security Act. States may claim this enhanced FMAP for expenditures beginning January 1, 2020 and extending through the last day of the calendar quarter in which the public health emergency is declared by the Secretary of Health and Human Services. However, in order to qualify for the enhanced FMAP, states need to meet certain requirements in section 6008 of the FFCRA. Under section 6008(b)(2) and (b)(3) of the FFCRA, states cannot increase premiums for any beneficiary above the amounts assessed on January 1, 2020 and may not terminate individuals for failure to pay premiums.

This SPA establishes a new premium for a new eligibility group, described at section 1902(a)(10)(A)(ii)(XIII) of the Social Security Act. Because the premium is associated with an expansion of eligibility, the establishment of this new premium does not violate the requirements in section 6008(b)(2) of the FFCRA. Nonetheless, the state has indicated it will be suspending premiums for this group consistent with its disaster SPA #20-0014. Once CMS notifies the states that the public health emergency has ended and states can no longer claim enhanced FMAP, then the state can resume premium assessments for this eligibility group.

This SPA is approved on June 1, 2020, with an effective date of January 1, 2020. We are enclosing the CMS-179 and the amended plan page(s).

If you have any questions concerning this amendment, please contact Nikki Lemmon at (303) 844-2641 or at Nicole.lemmon@cms.hhs.gov.
Sincerely,

James G. Scott, Director
Division of Program Operations
