Re: District of Columbia State Plan Amendment (SPA) 20-0006

Dear Director Byrd:

We have reviewed the proposed amendment to add section 7.5 Medicaid Disaster Relief for the COVID-19 National Emergency to your Medicaid state plan, as submitted under transmittal number (TN) DC 20-006. This amendment proposes to implement temporary policies, which are different from those policies and procedures otherwise applied under your Medicaid state plan, during the period of the Presidential and Secretarial emergency declarations related to the COVID-19 outbreak (or any renewals thereof).

On March 13, 2020, the President of the United States issued a proclamation that the COVID-19 outbreak in the United States constitutes a national emergency by the authorities vested in him by the Constitution and the laws of the United States, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and consistent with section 1135 of the Social Security Act (Act). On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences of the COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse. This authority took effect as of 6PM Eastern Standard Time on March 15, 2020, with a retroactive effective date of March 1, 2020. The emergency period will terminate, and this state plan provision will no longer be in effect, upon termination of the public health emergency, including any extensions.

Pursuant to section 1135(b)(5) of the Act, for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. 430.20 that the state submit SPAs related to the COVID-

19 public health emergency by the final day of the quarter, to obtain a SPA effective date during the quarter, enabling SPAs submitted after the last day of the quarter to have an effective date in a previous quarter, but no earlier than the effective date of the public health emergency.

The District of Columbia requested a waiver of public notice requirements applicable to the SPA submission process. Pursuant to section 1135(b)(1)(C) of the Act, CMS is waiving public notice requirements applicable to the SPA submission process. Public notice for SPAs is required under 42 C.F.R. §447.205 for changes in statewide methods and standards for setting Medicaid payment rates, 42 C.F.R. §447.57 for changes to premiums and cost sharing, and 42 C.F.R. §440.386 for changes to Alternative Benefit Plans (ABPs). Pursuant to section 1135(b)(1)(C) of the Act, CMS is approving DC's request to waive these notice requirements otherwise applicable to SPA submissions.

These waivers and modifications of the requirements related to SPA submission timelines and public notice apply only with respect to SPAs that meet the following criteria: (1) the SPA provides or increases beneficiary access to items and services related to COVID-19 (such as by waiving or eliminating cost sharing, increasing payment rates or amending ABPs to add services or providers); (2) the SPA does not restrict or limit payment or services or otherwise burden beneficiaries and providers; and (3) the SPA is temporary, with a specified sunset date that is not later than the last day of the declared COVID-19 public health emergency (or any extension thereof). We nonetheless encourage states to make all relevant information about the SPA available to the public so they are aware of the changes.

We conducted our review of your submittal according to the statutory requirements at section 1902(a) of the Act and implementing regulations. This letter is to inform you that DC Medicaid SPA Transmittal Number 20-006 is approved effective March 11, 2020. This SPA is in addition to Disaster Relief SPAs approved on June 5, 2020 and August 6, 2020 and does not supersede anything approved in those SPAs.

Enclosed is a copy of the CMS-179 summary form and the approved state plan pages.

Please contact LCDR Frankeena McGuire at 215-861-4754 or by email at Frankeena.McGuire@cms.hhs.gov if you have any questions about this approval. We appreciate the efforts of you and your staff in responding to the needs of the residents of the District of Columbia and the health care community.

1915(i) Adult Day Health Program

Temporarily establish authority under the State Plan to reimburse retainer payments in accordance with the limitations and requirements set forth in Olmstead update letter #3 (July 25, 2000) to Adult Day Health Program providers.

Temporarily allow retainer payments equal to 25% of the standard per diem rate to an AHDP if a participant was unable to attend the ADHP because services could not be rendered as a result of the public health emergency. Retainer payments are not available to ADHP providers that also provide traditional ADHP services or provide services via video/telephonic/electronic conferencing to the same beneficiary on a given date of service. Authorized ADHP providers may receive retainer payments for periods up to 30 consecutive days. Reimbursement is available for multiple consecutive day periods (up to 3 episodes). Authorized ADHPs may bill for retainer payments for the duration of the public health emergency.

Retainer payments for ADHP providers does not include reimbursement for staff costs of direct care workers.

To the extent they are applicable to prevent duplicate reimbursement or cause a provider to exceed their revenue for the last full quarter prior to the PHE, the following limits will apply to retainer payments reimbursed by the District set forth in this section:

1) The District will collect an attestation from providers acknowledging that retainer payments will be subject to recoupment if inappropriate billing or duplicate payments for services occurred (or in periods of disaster, duplicate uses of available funding streams), as identified in a state or federal audit or any other authorized third party review. Note that "duplicate uses of available funding streams" means using more than one funding stream for the same purpose.

2) The District will require an attestation from providers that it will not lay off staff, and will maintain wages at existing levels prior to the PHE.

3) The District will require an attestation from providers that they had not received funding from any other sources, including but not limited to unemployment benefits and Small Business Administration loans, that would exceed their revenue for the last full quarter prior to the PHE, or that the retainer payments at the level provided by the District would not result in their revenue exceeding that of the quarter prior to the PHE.

a) If a provider had not already received revenues in excess of the pre-PHE level but receipt of the retainer payment in addition to those prior sources of funding results in the provider exceeding the pre-PHE level, any retainer payment amounts in excess would be recouped.

b) If a provider had already received revenues in excess of the pre-PHE level, retainer payments are not available.

Section F – Post-Eligibility Treatment of Income

1. ___ The state elects to modify the basic personal needs allowance for institutionalized individuals. The basic personal needs allowance is equal to one of the following amounts:
 - a. ___ The individual's total income
 - b. ___ 300 percent of the SSI federal benefit rate
 - c. ___ Other reasonable amount: _____
2. ___ The state elects a new variance to the basic personal needs allowance. (Note: Election of this option is not dependent on a state electing the option described the option in F.1. above.)

TN: 20-006
Supersedes TN: New

Approval Date: 09/25/2020
Effective Date: 03/11/2020

This SPA is in addition to Disaster Relief SPAs approved on June 5, 2020 and August 6, 2020 and does not supersede anything approved in those SPAs.
