RE: TN 22-0015

Dear Medicaid Director:

We have reviewed the proposed Maryland State Plan Amendment (SPA) to Attachment 4.19-B, MD 22-0015, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on July 29, 2022. For dates of service beginning July 1, 2022, this SPA implements an 8% rate increase for the Developmental Disabilities Administration Targeted Case Management (DDA TCM) program. In addition, a temporary 10 % rate increase for DDA TCM services using 100 % 9817 generated savings funds for dates of service 10/1/22 through 12/31/22 and on January 1, 2023, the rates will revert back to the rates approved on 07/01/2022.

Based upon the information provided by the State, we have approved the amendment with an effective date of July 01, 2022. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Monica Neiman via email at [monica.neiman@cms.hhs.gov](mailto:monica.neiman@cms.hhs.gov).

Sincerely,

Todd McMillion  
Director
