

# Rules are Changing!

A new work requirement might impact your eligibility. Don't risk losing Medicaid coverage.

## Take steps to prepare now.

As of , certain adults must meet a new monthly work requirement to keep Medicaid. Follow these steps to find out if you're impacted and make sure you stay covered:

### Stay connected:

Keep your contact information (like home and email address and phone number) up to date.

### Stay informed:

Check your mail, email, and text messages for official Medicaid program updates so you don't miss important information or deadlines.

### Stay covered:

Complete at least 80 hours each month of work, certain job training, community service, or education (if the new requirement applies to you). You can combine different activities to reach your 80 hours. You can also meet the requirement if you earn at least \$580 a month or if you're enrolled in school at least half-time (as defined by your school). Some people may qualify for exclusions from the requirements.
