### Appendix A: FASI Set, Field Test

PRA Disclosure Statement: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-Reinstatement. The SORN is 09-70-0569.

By checking this box, I certify that:

- I reviewed the consent form (and assent form when required) with the person and/or their Legally Authorized Representative (LAR) and gave them the opportunity to ask questions,
- the person was cognitively competent to provide informed consent (if the person does not have an LAR),
- or the person, or their LAR, provided informed consent by signing the form (and the person gave assent when required),
- I have provided the person, or their LAR, with a signed copy of the consent (or assent form when required), and
- I have retained another copy of the signed consent (and assent form when required) that I have securely stored at my assessment entity.

I further certify, to the best of my knowledge, the information I have recorded in this assessment:

- was collected only after the person, or their LAR, provided informed consent/assent,
- was collected in accordance with the guidelines provided by CMS for participation in this TEFT FASI Testing project,
- is an accurate and truthful reflection of assessment information for this person, and
- was entered accurately.
