Peer Groups	Intermittent	Limited	Extensive	Pervasive
1-8 beds	6.2 percent	6.2 percent	6.2 percent	6.1 percent
9-15 beds	3.2 percent	6.2 percent	6.2 percent	6.1 percent

The applicable differential shall be applied anytime there is a change to the per diem rates (for example, during rebase, rate reductions, inflationary changes, or special legislative appropriations). This differential shall not extend beyond December 31, 2024.

4. Rebasing

Rebasing of rates will occur at least every three years utilizing the most recent audited and/or desk reviewed cost reports.

5. Requests for Supplemental Services

a. Requests for pervasive plus rate supplement must be reviewed and approved by the LDH ICAP Review Committee. A facility requesting a pervasive plus rate supplement shall bear the burden of proof in establishing the facts and circumstances necessary to support the supplement in a format and with supporting documentation specified by the LDH ICAP Review Committee.

The ICAP Review Committee shall make a determination of the most appropriate staff required to provide requested supplemental services.

The amount of the pervasive plus supplement shall be calculated using the Louisiana Civil Service pay grid for the appropriate position as determined by the ICAP Review Committee and shall be the 25th percentile salary level plus 20 percent for related benefits times the number of hours approved.

b. Other Client Specific Adjustments to the Rate

A facility may request a client specific rate supplement for reimbursement of the costs for enteral nutrition, ostomy, tracheotomy medical supplies or a vagus nerve stimulator. The provider must submit sufficient medical supportive documentation to the ICAP Review Committee to establish medical need for enteral nutrition, ostomy or tracheotomy medical supplies.

The amount of reimbursement determined by the ICAP Review Committee shall be based on the average daily cost for the provision of the medical supplies. The provider must submit annual documentation to support the need for the adjustment to the rate.

Sufficient medical supportive documentation must be submitted to the Prior Authorization Unit to establish medical necessity. The amount of reimbursement shall be the established fee on the Medicaid Fee Schedule for medical equipment and supplies.

6. ICAP Requirements

An ICAP must be completed for each recipient of ICF/IID services upon admission and while residing in an ICF/IID in accordance with departmental regulations.

Providers must keep a copy of the recipient's current ICAP protocol and computer scored summary sheets in the recipient's file. If a recipient has changed ICAP service level, providers must also keep a copy of the recipient's ICAP protocol and computer scored summary sheets supporting the prior level

ICAPs must reflect the resident's current level of care.

Providers must submit a new ICAP to Regional Health Standards office when the resident's condition reflects a change in the ICAP level that indicates a change in reimbursement.

7. ICAP Monitoring

ICAP scores and assessments will be subject to review by LDH and its contracted agents. The reviews of ICAP submissions include, but are not limited to reviews when statistically significant changes occur with ICAP submission(s).
