Re: Ohio State Plan Amendment (SPA) 23-0011

Dear Director Corcoran:

The Centers for Medicare & Medicaid Services (CMS) reviewed the proposed Medicaid State Plan Amendment (SPA) and accompanying section 1135 waivers submitted on April 4, 2023 under transmittal number (TN) 23-0011. This amendment proposes to assure mandatory coverage of COVID-19 vaccines, testing, and treatment without cost sharing in accordance with the American Rescue Plan Act.

Pursuant to section 1135(b)(5) of the Social Security Act (Act), for the period of the public health emergency, CMS is modifying the requirement at 42 C.F.R. §430.20 that the state submit SPAs related to the COVID-19 public health emergency by the final day of the quarter, to obtain a SPA effective date during the quarter, enabling SPAs submitted after the last day of the quarter to have an effective date in a previous quarter, but no earlier than the effective date of the public health emergency.

The State of Ohio also requested a waiver to modify the public notice requirements applicable to the SPA submission process. Pursuant to section 1135(b)(5) of the Act, CMS is modifying public notice requirements applicable to the SPA submission process. Public notice for SPAs is required under 42 C.F.R. §447.205 for changes in statewide methods and standards for setting Medicaid payment rates, 42 C.F.R. §447.57 for changes to premiums and cost sharing, and 42 C.F.R. §440.386 for changes to Alternative Benefit Plans (ABPs). Pursuant to section 1135(b)(5) of the Act, CMS is approving the state's request to modify these notice requirements otherwise applicable to SPA submissions.

CMS conducted our review of your submittal according to statutory requirements in Title XIX of the Act and implementing regulations. This letter is to inform you that Ohio's Medicaid SPA Transmittal Number 23-0011 is approved effective March 11, 2021.

If you have any questions, please contact Christine Davidson at (312) 886-3642 or via email at [Christine.Davidson@cms.hhs.gov](mailto:Christine.Davidson@cms.hhs.gov).
