

Reaching Out to Asian American, Native Hawaiian, and Pacific Islander People about Medicaid & CHIP Renewals

The Centers for Medicare & Medicaid Services (CMS) wants to make sure people continue to have health care coverage whether that's through Medicaid, Children's Health Insurance Program (CHIP), Medicare, [HealthCare.gov](https://www.healthcare.gov) (through the Affordable Care Act), or employer-sponsored coverage. This is an all hands-on-deck moment, and we need your help as a trusted voice to help share information on Medicaid and CHIP Renewals. You can use this resource to help share important messages about what steps parents, families and individuals should take to ensure they remain covered.

Why do people with Medicaid and CHIP coverage have to renew their coverage now?

For the past three years, people with Medicaid and CHIP were not required to renew their coverage because of the COVID-19 pandemic. States have now resumed the yearly process of Medicaid and CHIP eligibility renewals and are contacting people to determine if they are still eligible.

Between now and the middle of 2024, everyone with Medicaid or CHIP coverage will need to renew their coverage. It should be noted that every state has a different [renewal timeline](#).

If an individual is no longer eligible for Medicaid or CHIP, they can transition to another form of health insurance coverage, such as finding coverage on [HealthCare.gov](https://www.healthcare.gov), Medicare, or employer-sponsored insurance coverage.

Renewing your Medicaid or CHIP coverage will not impact your immigration status.* For more information, [check out our Important Information for Immigrant Families to Know About Medicaid and CHIP Factsheet in the Outreach Tool Library on InsureKidsNow.gov.](#)

What can YOU do to help people with Medicaid and CHIP coverage right now?

About 15 million people are predicted to lose Medicaid and CHIP coverage over the next year.

People enrolled in Medicaid and CHIP need to take action now or else they could lose their health insurance coverage. We need partners like YOU to help make sure that people enrolled in Medicaid and CHIP complete these steps:

1. **UPDATE** your contact information with [your state Medicaid or CHIP agency](#).
2. **RESPOND** to the Medicaid/CHIP renewal form when it arrives to keep your coverage.
3. **PARENTS** should respond even if you don't think you're eligible – your kids could still be eligible!
4. **CONSIDER OTHER COVERAGE OPTIONS:** If you are no longer eligible for Medicaid or CHIP, check if you can get coverage through your employer, through the Marketplace at [HealthCare.gov](https://www.healthcare.gov), or through Medicare.

*Medicaid benefits are not considered in the [public charge inadmissibility determination](#) made by the Department of Homeland Security, with the exception of long-term institutionalization at government expense. No CHIP benefits are considered under the public charge inadmissibility determination.

What resources are available to share with people enrolled in Medicaid and CHIP?

CMS has a variety of resources to help raise awareness about renewing Medicaid and CHIP and other coverage options if you are no longer eligible for Medicaid or CHIP, including:

- [Fillable/Non-fillable Flyers](#)
- [Partner Tip Sheet](#)
- [HealthCare.gov Postcard](#) (also available in [Chinese](#), [Hindi](#), [Korean](#), [Tagalog](#), and [Vietnamese](#))
- [Health Care Options Fact Sheet](#) (also available in [Chinese](#), [Hindi](#), [Korean](#), [Tagalog](#), and [Vietnamese](#))
- [Fillable/Non-fillable Post Cards for Kids and Families](#)
- [Link to State's Renewal Timeline](#)

The full list of resources can be found on the [Medicaid and CHIP Renewals Outreach and Educational Resources](#) section of [Medicaid.gov/Unwinding](#). Resources can be downloaded or printed and shared broadly.

What strategies can I use to spread the word in my community?

- Partner with trusted messengers and influencers, including faith and community leaders, cultural centers, community health centers, rural health clinics, Native Hawaiian health centers, local pharmacies, and other community-based organizations in your area to share culturally and linguistically appropriate materials and social media messages and host events.
- Share simple and clear translated messages in your community's native language on radio, tv, newspapers, community magazines, and social media.
- Hand out translated flyers or other print materials that are simple and clear and include pictures or graphics.
- Have enrollment assisters that are culturally competent and from the community available at cultural, religious, and community events or celebrations.
- Share short video explainers in your community's languages.
